Proceedings of the Board of Revenue (Land Revenue).

Forest NO 1634 Mls, dated 17th December 1896.

Read again Board's Proceedings Forest NO788 Mls, dated 4-6-96 returning to the Collector of Coimbatore for resubmission after revision with reference to certain remarks a draft notification -- under section 24 of the Forest & Act for the disafforestation of certain portions of the Vellamundi Reserved Forest.

Read also endorsement of the Conservator of Forests, Southern Circle dated 7th October 1896, R.C.NO.1272 forwarding letter from the Collector of Coimbatore dated 31st September 1896, R.C.NO 536

Resolution.

In 1893 proposals for the rectification of the boundary line of the Vellamundi Reserved Forest in the Coimbatore District were submitted by the Collector. The draft notification of disafforestation included lands situated outside the boundary and the Board returned the papers for revision. A revised draft notification together with an amended boundary description was submitted by the Collector in 1894 but the papers had again to be returned as the map and notifications did not tally with each other.

The draft notification under section 24, as finally revised by the Collector and received with his letter read above, as amended in the Board's Office will be submitted to Government for approval and publication in the Fort Saint George Gazette after the sanction of the Government of India has been obtained.

With reference to para 2 of G.O.Rev:NO.318 dated 7-7-96, it is reported that although no demand has been made for the area now

now to be thrown out of reservation there is little doubt that -
when excluded, it will be taken up for cultivation.

The draft notification relating to the revised boundary description has had to be materially altered in this office and before submitting the same to Government, the Collector will be requested to verify the alterations and resubmit the notification in time to admit of its publication in the Gazette together with the notification of disafforestation.
