What is his C.C.'s opinion as to the
rebuilding of a mud wall to wire fence?
in case?

Order No. 55487

28th Jan 1897

transferred to the Public
Works Department, with
the remark that a mud
wall with a tiled coping
may be built instead
of a plain wire fence.

SUBJECT.

Informing Govt. that the
construction of a mud wall
round the Collector's Office
Trichinopoly in lieu of a
plain wire fencing for
reasons assigned by the
P.W. authorities and adding
that the Bd's opinion as to
the neatness, economy &
efficiency of wire fencing
remains unaltered.

The Public Works Department.
D.S. 4.2.97

Note

The Board has no objection
to the mud wall, but it
considers that a plain wire
fence will be neat, economical
and efficient.

Proceedings of the Board of Revenue

(Land Revenue),

Dated 5th December 1896,

No. 5421 Mis.

READ

Endorsement of the Acting Secretary
to Government, ^{Per Dept.} dated 21st November 1896
No 2209 R on the endorsement of the
Public Works Department dated 13th
November 1896 No 4085 b.

Resolution.

In reply to the above endorsement, the
Board submits that as the P.W. ^{author}
authorities report that a wire fence
would be useless for the purpose of
protecting the grounds round the
Collector's office, the Construction

of a mud wall may be sanctioned, as
suggested by the Superintending En-
gineer, ^{sixth} ~~South~~ Circle.

2. The Board, however, ventures to add
that its opinion as to the neat-
ness, economy and efficiency of
wire-fencing remains unaltered.

Reply

The undersigned has the honour to state that a mud wall, with tiled coping, of 1090 feet in length would cost about Rupees 400, against the Executive Engineer's estimate of Rs. 700 for a plain wire fence, of probably the same length. The latter would no doubt be the weaker, but taking into consideration the great difference in cost, the undersigned recommends the provision of the former.
