Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture),

Dated 30th June 1897.

No. 4723 Mis.

READ the following letter from the Collector
of Anantapur dated 19th June 1897.
Ref on C to 3052 dated 19th June 1897.

I have the honour to request that
the Government may be moved
to sanction at once the appoint-
ment of a Deputy Tahsildar to
relieve the Tahsildar of Shunavaram
of all his ordinary duties. At pre-
sent there are 9 Relief works in
progress as many Kitchens in
that Taluk. The village relief is
in full swing. It is absolutely

impossible for the Tahsildar to cope with the daily increasing work both ordinary and famine. In the other affected Taluks the Tahsildars are to some extent aided by the Stationary Sub-magistrate and Deputy Tahsildar but there is no such help in Dharmavaram. While the Tahsildar has to answer the calls of three Officers - viz Head Assistant Collector in charge of Famine duty, Special Dy. Collector in charge of loans and the ordinary Dy. Collector in charge of the Division. In addition to these he has to attend to the urgent references proceeding from my office and the Treasury Dy. Collector (audit branch). He is further required to be present every time a new is started and a Kitehen and to make tours for inspection of the works

in progress and check the work of the Circle Inspectors in the matter of Village relief. Under such circumstances his office work must seriously suffer. I have therefore the honour to urge the absolute necessity for the appointment of a Deputy Tahsildar at least for a period of 3 months for this Taluk. Kindly give me sanction to entertain one in anticipation of Government approval.

Read also the following letter from the collector of Anantapur dated 21st June 1897 Disposal No. 3266 24-6-97

As it is practically impossible for the Tahsildars of Gooty, Tadpat, Anantapur and Dharmavaram Taluks where the relief measures have

have considerably expanded,
to attend to both the ordinary
and famine duties with any
degree of success. I have the
honour to state that the time
has now come to relieve them
of all their ordinary duties.
I request that the Government
may be moved to sanction
the appointment of Special
Deputy Tahsildars to each of the
above taluks with reference
to Government Order No 316
dated 11th May 1897 para 2.
Communicated with Board's
Proceedings No 381 dated 19th
May 1897. If distress deepens
in Penukonda and Talipadu
Taluk a special Deputy
Tahsildar

31
Tahsildar to each of these taluks
will be necessary.

Resolution

Submitted for the orders of
Government.

2. Even a good monsoon will bring
no relief till the crops are harvested.
The rainfall in all four taluks in
May was moderate; from 1st to 19th
June it was poor in Tadpatri and
Anantapur, and good in Gooty
and Dharmavaram. There has
been no rain for the past week or
more, and unless more falls at once,
but ^{little} improvement can be looked
for. The Famine Commissioner
therefore supports the Collector's proposal.
