PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from J. N. ATKINSON, Esq., Collector, Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated 31st March 1897, C. No. 3132-For.:—

I have the honour to forward herewith draft notification under section 4 for the reservation of Govindapuram block in the Palnad taluk having an area of 2,420 acres.

2. It was selected originally by Ranger P. Ananda Row in October 1892, and was slightly modified by the District Forest Officer, Mr. A. W. Lushington, on his inspection in February last. It was demarcated in June by Assistant Surveyor S. Lakshmanachari according to the instructions given him by the District Forest officer, and the demarcation has not since been inspected by the District Forest Officer.

3. The forest vegetation consists chiefly of dense sandra or cutch (*acacia sundra*) with other kinds of acacias and albizzias and other species. It forms part of the Akurazupalli working circle, and will be treated along with Rekulagadda, Vemavaram, Tangeda, &c., reserves.

4. Sufficient area has been left out for agricultural requirements, the tendency in this part of the country being rather to relinquish than take up further cultivation, and the village of Govindapuram has been abandoned. The table forwarded with the draft notification for Rekulagadda reserve (this office letter, R. C. No. 3113, dated 28th March 1897) shows the area of waste excluded from the reserve in this village, to be 969 acres.

5. The statement of area and condition and demarcation certificate are also herewith submitted.

Certificate.

Lakshmanachari under instructions from the District Forest Officer in June 1896 and that the block was not inspected by the District Forest Officer nor was the demarcation checked by him.
