G.No. 3322/96

With the above current the Board of Revenue forwards a draft erratum which, while correcting certain clerical errors in the extent of the several Survey Nos. comprising the Sannimalai block ordered to be notified under sec. 4 in G.O. 128 dated 9.3.95, ^{has the further effect} ~~proposes also to~~ of including within its limits certain survey Nos. not mentioned in the notification under sec. 4, viz. S.Nos. 670b, c, h, i, j and 521 e, f, g, h, i, j.

2. There is no objection to the publication of the draft erratum in so far as it relates to ^{the} ~~the~~ correction of the ^{area} ~~area~~ of the S.Nos. ^{in fact there} ~~in fact there~~ could appear to be no real necessity to publish this portion of the erratum inasmuch as a notice in under sec. 4 need not be very accurate (and the correction mostly ^{only} ~~only~~ refers to differences in ^{number of cents} ~~number of cents~~). But as to the inclusion ^{new} ~~new~~ within the limits of the block of survey sub Nos., it was held in the note under G.O. 5318 Mis. dated 22.12.96. that the F.S.O. has no power to proceed under the Act in respect of any land not expressly notified under sec. 4. If ^{under sec 4} ~~sec 4~~ notification ^{seems} ~~seems~~ to be necessary in the present case ^{also} ~~also~~ (however small the area of the block).

3. There is no information as to whether the several sub Nos. of the same survey No. are all compact or separated from one another, the map being

G. G. mis No. 6107 & 22 Feb 1897

So much of the draft

erratum as relates to mere correction of area will be published in the Fort St George and Coimbatore St gazettes; but the Govt observes that the remaining portion apparently has the further effect of including within the limits of the block certain areas not mentioned in the notification under Sec 4 viz S. No 670 b, c, h, i, j and 521 e, f, g, h, i, j. The Board's attention will be invited to G. G. 5318 mis 822.12.96 where it was pointed out that in such a case as this, a supplemental notification under Sec 4 is legally necessary in order to carry out the settlement of an area not included in the initial notification. The necessary supplemental notification should be supplemented submitted at an early date.
