His Excellency the Governor in Council is pleased to declare, under the provisions of section 4 of the Madras Forest Act (V of 1882), that it is proposed to constitute the area, the boundaries of which are set forth in the Schedule appended to this notification, as a reserved forest under the Act.

Schedule.

| District | Taluk     | Block |           | Situation and boundaries.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

**PROCEEDINGS OF THE BOARD OF REVENUE**  
(LAND REVENUE).

READ—the following letter from J. N. ATKINSON, Esq., Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 8th April 1897, C. No. 3234, Forest:—

I have the honour to forward herewith draft notification under section 4 of the Forest Act for the reservation of the Pamidipad block in the Vinukonda taluk, amounting to 2,100 acres.

2. The area was selected originally by Ranger P. Ananda Row in October 1891, but was considerably modified by the District Forest officer on his inspection in March 1896 when he found that an area of unsurvey attached to Pamidipad village had not been included.

3. The district boundary, when it runs over hills, and when the other side of the boundary belongs to a zemindar or agharam, has not been surveyed by the Survey Department; but the whole of the hills are invariably left out of the survey circuit. This has happened in many places, e.g., this and Mekapad reserves in Vinukonda taluk, Nagarazupalle extension in Narasaraopet taluk, Kondur reserve in Bezvada taluk, Gudimetla and Gandrayi reserves in Nandigama taluk.

4. For this reason, and to save trouble at settlement, it has been deemed advisable to clearly define the boundary taken, as described in the southern boundary.

5. The nature of the growth in the northern portion is open forest with *acacias*, and the forest has been excessively cut about and overgrazed; the southern portion consists of hills with *grevias* and other species.

6. One thousand eight hundred acres of waste land have been left outside the reserve and for the most part lie in a fairly compact block in the north-west corner of the reserve. This is ample for the agricultural requirements of the village.

The particulars will be seen from the statement, prescribed in Board's Proceedings, Forest No. 459, dated 2nd October 1896, herewith sent.

7. The statement of area and condition and the demarcation certificate are herewith submitted. The demarcation was carried out in accordance with the District Forest Officer's instructions by Ranger K. Asvatham Naidu; the surveyed portion was completed in April 1896, the unsurveyed portion in July.

## ENCLOSURE No. 1.

## Certificate.

Certified that Pamidipad reserve block, in Vinukonda taluk, in Kistna district, was selected after a personal inspection by Ranger P. Ananda Row in October 1891, boundaries perambulated and considerably modified by Mr. A. W. Lushington, District Forest Officer, in March 1896, and preliminarily demarcated by Ranger K. Asvatham Naidu under District Forest Officer's instructions, the surveyed portion in April and the unsurveyed in July 1896, and that the block was not inspected by the District Forest Officer, nor was demarcation checked by him.

(Signed) A. W. LUSHINGTON,  
District Forest officer.

## ENCLOSURE No. 2.

## STATEMENT of area and condition.

| Total area of the taluk. | Extent of occupied and unoccupied Government land in the taluk. | Area of reserves already notified under section 16. | Area of reserves under settlement. | Area of reserves submitted for notification under section 4. | Character of land proposed for reservation. | Sketch-map.                                                               |

Endorsement by A. W. PEET, Esq., Conservator of Forests, Northern Circle, dated Waltair, 20th April 1897, R. C. No. 2063.

Forwarded.

RESOLUTION—Forest No. 236, dated 17th June 1897.

Submitted to Government for approval and publication in the *Fort St. George Gazette*.

2. The Collector's remark in paragraph 6 of his letter read above, that 1,800 acres of waste land have been left outside the reserve for the agricultural requirements of the village, cannot be reconciled with the much larger figure shown under "balance of waste" in the villagewar statement submitted by the Collector. The discrepancy requires explanation.
