Extract from para 7 of Letter No. ^G 717, dated 20 October 1896, from the Controller of Military Accounts, Madras Command, to the Secretary to the Government of India, Military Department.

7. With regard to the second-class stations
 "it may be noted that Bellare is now combined
 "with Chittoor, at which latter station there are
 "now 190 pensioners; for the charge of whom the
 "pension-paying officer draws a gross allowance
 "of Rs 40^(a) per mensem. It is proposed that the
 "Treasury deputy collector of the North Arcot D.
 "should take over the charge of the pensioners at
 "Chittoor, that station being his head-quarters.
 "The saving of Rs 40 per mensem, which would be
 "realized by separating Chittoor from Bellare,
 "would be available to meet the allowance to
 "be granted to the Treasury deputy collector.
 "This officer already pays a few pensioners

 "distant taluqs of the district, and has applied

For a special allowance for sodding, which
 "application will have to be considered irrespective
 "of the changes now contemplated. The Superintendent
 "of Pensions proposes that a sum of Rs 15
 "per mensem should be transferred from the
 "amount now drawn by the Treasury deputy
 "collector, Bellori district, to the Treasury deputy
 "collector, North Arcot district, for the above
 "purpose, in which case only Rs 10 of the sum of
 "Rs 40 alluded to above would be required
 "which would result in a saving of Rs 3-0-0

 Port Saint George, the 7th Nov 1896

Dep. Examiner,
 Superintendent, Central Branch,

7/11/96

From
 The Controller of Military Accounts,
 Madras Command,

To
 The Chief Secretary to the
 Government of Madras, Public Department,
 Fort Saint George.
 Madras, the 7th of November 1896.

Sir,

I have the honor to forward the
 accompanying correspondence relative to a
 proposal to
 reduce the establishment
 now maintained
 for the payment
 of military pensioners and family certificate
 holders in the Bellori district, and to transfer
 the amount thus saved to the Treasury
 deputy collector, North Arcot district, for
 the payment of pensioners at Chittoor,

(a)
 Letter to: 2813 of 29 July 1895 from Deputy-
 collector, North Arcot district.
 Letter to: 4486 of 16 November 1895 from the
 Superintendent of Pensions (copy).
 Letter to: 3991 of 28 Decr: 1895 from the Collector
 of Bellori.
 Letter to: 3806 of 7 October 1896 from the
 Superintendent of Pensions.
 Letter to: 246 of 21 October 1896 from the
 Deputy collector, Bellori.

which work it is proposed should be transferred to his office.

2. The establishment of the Vellore Pension office as shown in the margin (a) 1 clerk on Rs 25 per mensem hitherto maintained 1 - do - - - 15 - do - - - was originally sanctioned 1 - do - - - 10 - do - - - in 1862, (vide Proceedings of the Board of Revenue No. 2321 of 8 April 1862 and No. 6060 of B 10 September 1862).

3. The number of pensioners *sea.* paid monthly in the Vellore District was about 900 in 1862, but has now decreased to 255; it is therefore proposed, with the consent of the Collector of the District (vide his letter No $\frac{3991}{acc}$ of 29 December 1895 and No $\frac{246}{M.P.}$ of 21 October 1896) to reduce the number of pension clerks to two, one on a salary of

Rs. 20 and the other on Rs 15 per mensem, thus effecting a saving of Rs 15 per mensem -

4. As regards the payment of an allowance to the Treasury deputy collector, North Arcot District, I would explain that at present the pensioners *sea.* at Chittoor are paid by the officer in charge of Pensioners at Vellore, a retired military warrant officer, who receives an allowance of Rs 40 for that duty; but as this arrangement is an inconvenient one, it is proposed that the pensioners and family certificate holders at Chittoor should be paid by the Treasury deputy collector, North Arcot District, who already pays a few pensioners in the distant taluqs of the District and has applied for an allowance for so doing.

20-2-58

5. It is therefore proposed to allot the above mentioned saving of Rs 15 to the Treasury deputy collector, North Arcot district, but as this would not be a sufficient remuneration for the payment of 190 pensioners and family certificate holders, the number now paid at Chittoor, the amount will be increased to Rs 25 by taking Rs 10 from the sum of Rs 40 per mensem now drawn by the officer in charge of pensioners, Vellore, but which, under the proposed scheme, will be withdrawn from him.

6. As the above arrangements affect the duties of the deputy collector, North Arcot district, it is necessary that the approval of the Government of Madras should be obtained. I have informed

the Government of India of these proposals in connection with a scheme I have submitted for the reorganisation of the Pension offices in this Command in charge of retired warrant and uncommissioned officers, and I attach for the information of the Madras Government an extract from my letter on the subject in which I have alluded to the proposal now made.

7. With reference to para 2 of letter No ²⁴⁶ M.P. dated 21st October 1896, from the Dy. Collector, Vellore district, I would request the favor of an early decision on this application.

I have the honor to be,

Yr most obedient servant

Lt. Col. ^{Dr.} W. H. M. S. Lieut. Colonel,
Controller of Military Accounts.

Sir,

In reply to Board's Proceedings no. 3323, ^{Routine} Land Revenue, ^{Routine} dated 7th December 1896, I have the honor to report that, if an adequate Establishment be allowed, my Treasury Deputy collector can take up the additional work proposed.

2. The number of military pensioners and Family certificate holders now paid by him is 40 and the number proposed to be transferred to him is 190. He would thus have 230 men to pay, which is very nearly equal to the number (255), now paid by the Treasury Deputy collector, Nellore. The Establishment allowed to the Nellore District for the purpose, consists of 2 clerks, one on Rs 20 and the other on Rs 10, and the collector of that district has a ^(true Extract) increase of Rs 5 per

Submitted to Government with reference to para 1 of -
G.O.E No. 2350, dated 25th November 1896.

3. It is observed that even after allowing for two clerks,

an Establishment, costing Rs 35 per mensem,
allowed to this District, also, the existing and
additional work proposed can be undertaken
by Treasury Deputy collector. Even after allowing
this Establishment, the transfer of work proposed
would result in a saving of Rs 5 per mensem to the
military department, as the existing arrangements
for the payment of the 190 pensioners at Chittoor,
cost that department Rs 40 per mensem. Should
the military department be not disposed to transfer
the additional work proposed on these conditions,
I request that a clerk on Rs 15 be allowed for the
existing work, as this help is necessary and the cost
can be met from the savings effected in the
Nellore District.
