Order No. 628 d/4 Feb 1897

The Govt. sees no reason to
interfere in the pet's behalf
with order des. 8-2-97

The original order in this case was
passed on the 28th February 1895 by
the D. Commr. The pet's were informed
that an appeal lay to the Board, but
addressed the D. Commr again on

the 1st May 1895, whereupon he referred
them to his original order on the 12th
February 1895. They then petitioned
the Board four times. The first
pet. of 28th March was rejected for want
of copies of the original order on the 8th April;
the second of 4th May was rejected on the 12th
May for want of stamp; the third of 19th June
was rejected as time-barred on the 14th July; on
receipt of the fourth of 26th Sept, the Board

Dated 23-12-96

6/1/97

referred on the 22nd Oct to modify its
 previous order. The petitioners now appeal
 to Govt. under date 23rd Dec.
 Submitted that such delay & disregard of
 well known rules may well entail summary
 dismissal of the pet.

If this view is not accepted, it will be
 necessary to call upon the Board for
 a report on the merits of the pet.

BACK PAPERS.

G.O.	No.	Department.	Date.

FURTHER PAPERS.

G.O.	No.	Department.	Date.

The petitioners state as follows:-

The petitioners' village is very inconveniently
 situated and is the remotest portion of
 the area irrigated by the Manniyar.
 It is also subject to submersions
 by the Palavar. The petitioners therefore
 protested to the Dy Commr. of Rev.
 S. K. Parthi No. 3 against the high
 rate of assessment imposed by him.
 But the officer declined to consider
 the matter. The petitioners thereupon
 presented a review petition to him
 but with no better result. They
 then appealed to the Board which
 after rejecting the appeal twice
 ordered that it was "long out of
 time". They again prayed for a re-
 view of this order which was
 refused. They therefore pray that
 the Govt. will be pleased to go
 through the enclosed records
 and plan, institute an enquiry
 into the matter and lower
 the present rate of assessment
 of Rs 8 to Rs 6 of which are
 the rates of assessment on the
 surrounding fields.
