JUNE.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Forest Act for the constitution of the Pasvemula extension No. IV block, in the Palnad taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna, Masulipatam), dated Camp Nellore, 3rd December 1896, Ref. No. 139-Cur. :—

I have the honour to report the conclusion of the settlement of the proposed Pasvemula extension 4 (Bits A and B) in the Palnad taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 14th February 1893, and the proclamation under section 6 of the Act was published in the District Gazette, dated 3rd June 1893. The time allowed for the presentation of claims expired on the 3rd September 1893.

3. Mr. J. T. Lever was originally appointed to settle this block, then Mr. R. H. L. Lushington, and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The block was inspected, perambulated and enquired into by Mr. J. T. Lever in November and December 1894 and 87 claims were preferred for the following rights :—

- (1) Forty-five claims to Government patta lands.
- (2) One claim to exclude certain Chenchu huts.
- (3) Twenty-eight claims to rights of way.
- (4) One claim to a shrine.
- (5) Six claims to the use of water of streams and ponds.
- (6) Five claims on behalf of the dhobies to wash clothes, &c., in certain streams and ponds.
- (7) One claim to exclude a portion of the reserve.

All the claims to Government patta fields involved in item No. 1 were admitted; and the fields in forty-one claims have been excluded by an alteration of the boundary of the reserve, while the fields in the remaining four claims have been ordered to be demarcated out and retained as enclosures within the reserve free from reservation with necessary access. The claim to exclude certain Chenchu huts involved in item No. 2 was admitted and the huts have been ordered to be excluded from the reserve by alteration of the reserve boundary. Of the twenty-eight claims to rights of way, fifteen claims were admitted, nine claims were rejected as unnecessary, while the remaining four claims were identical with those already admitted, those in claims Nos. 49—48 (7), 53—50 (8) and 74—52 (7) being identical with that in claim No. 45—48 (3) and claim No. 56—50 (3) being identical with claims Nos. 54—50 (1) and 55—50 (2). Of the fifteen claims admitted the rights of way in six claims have been excluded by alteration of the boundary of the reserve. The six claims to the use of the water of the streams and ponds and the five claims on behalf of the dhobies to wash clothes in certain streams and ponds involved in item Nos. (5) and (6) were rejected, the streams, &c., referred to having been either excluded from the reserve or being outside it. The claim to a shrine involved in item No. 4 was admitted and the shrine has been excluded from the reserve by an alteration of the boundary. The one claim to exclude a portion of the reserve involved in item No. 7 was rejected, the ryots having no right to it.

5. The western portion of the reserve has been entirely excluded with the concurrence of the District Forest-officer as there is a large number of patta fields scattered all over it.

6. The reserve is thus free of all rights except those stated above.

7. The following are herewith submitted :—

- (i) The draft notification under section 16.
- (ii) The sketch-map of the reserve.
- (iii) A signed copy of the B. register of claims.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

Reserved Forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Pasvemula extension No. 4 block, in the Palnad taluk, as a —, ordered to be published in the Fort St. George and the Kistna District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 251, dated 29th June 1897 :—

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna, Masulipatam), dated Camp Nellore, 3rd December 1896, Ref. No. 139-Cur. :—

I have the honour to report the conclusion of the settlement of the proposed Pasvemula extension 4 (Bits A and B) in the Palnad taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 14th February 1893, and the proclamation under section 6 of the Act was published in the District Gazette, dated 3rd June 1893. The time allowed for the presentation of claims expired on the 3rd September 1893.

3. Mr. J. T. Lever was originally appointed to settle this block, then Mr. R. H. L. Lushington, and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The block was inspected, perambulated and enquired into by Mr. J. T. Lever in November and December 1894 and 87 claims were preferred for the following rights :—

- (1) Forty-five claims to Government patta lands.
- (2) One claim to exclude certain Chenchu huts.
- (3) Twenty-eight claims to rights of way.
- (4) One claim to a shrine.
- (5) Six claims to the use of water of streams and ponds.
- (6) Five claims on behalf of the dhobies to wash clothes, &c., in certain streams and ponds.
- (7) One claim to exclude a portion of the reserve.

All the claims to Government patta fields involved in item No. 1 were admitted ; and the fields in forty-one claims have been excluded by an alteration of the boundary of the reserve, while the fields in the remaining four claims have been ordered to be demarcated out and retained as enclosures within the reserve free from reservation with necessary access. The claim to exclude certain Chenchu huts involved in item No. 2 was admitted and the huts have been ordered to be excluded from the reserve by alteration of the reserve boundary. Of the twenty-eight claims to rights of way, fifteen claims were admitted, nine claims were rejected as unnecessary, while the remaining four claims were identical with those already admitted, those in claims Nos. 49—48 (7), 53—50 (8) and 74—52 (7) being identical with that in claim No. 45—48 (3) and claim No. 56—50 (3) being identical with claims Nos. 54—50 (1) and 55—50 (2). Of the fifteen claims admitted the rights of way in six claims have been excluded by alteration of the boundary of the reserve. The six claims to the use of the water of the streams and ponds and the five claims on behalf of the dhobies

to wash clothes in certain streams and ponds involved in item Nos. (5) and (6) were rejected, the streams, &c., referred to having been either excluded from the reserve or being outside it. The claim to a shrine involved in item No. 4 was admitted and the shrine has been excluded from the reserve by an alteration of the boundary. The one claim to exclude a portion of the reserve involved in item No. 7 was rejected, the ryots having no right to it.

5. The western portion of the reserve has been entirely excluded with the concurrence of the District Forest-officer as there is a large number of patta fields scattered all over it.

6. The reserve is thus free of all rights except those stated above.

7. The following are herewith submitted:—

- (i) The draft notification under section 16.
- (ii) The sketch-map of the reserve.
- (iii) A signed copy of the B. register of claims.

8. The date from which reservation is to take effect has to be inserted in the draft notification.
