Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 4 of the Madras Forest Act for the proposed constitution of Vedullapalli extension No. 2 block, in the Bapatla taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from J. N. ATKINSON, Esq., Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 20th April 1897, No. 3494-Forest :—

I have the honour to forward herewith a draft notification under section 4 of the Forest Act for the reservation of Vedullapalli extension 2 block amounting to 660 acres.

2. The area was selected by the District Forest officer Mr. A. W. Lushington in October 1894, and demarcated by Deputy Ranger A. N. Bhujanga Row in October 1895. The plan was after that mislaid and a fresh one had to be prepared which was completed in November 1896, since when it has been necessary to wait for ayakat abstract statistics from the Tahsildar.

3. The land resembles the adjoining Vedullapalli reserve and extension No. 1, being mostly grass land with scattered palmyras with which it is advisable to plant up the reserve.

4. Besides the utility of planting up explained in my letter C. No. 1201-Forest, dated 8th October 1896 (*vide* Board's Proceedings, Forest No. 568, dated 14th December 1896), the District Forest officer has lately received a letter from the Executive Engineer on the Bezwada-Madras Extension Railway urging that plantation works might be undertaken all along the sand ridge (of which Vedullapalli, Nayani-palem, Pullaripalem and other recent selections form part) to save the line from the destructive drifting sand, which buries the rails, and increases the wear and tear of the rolling stock and permanent way; not to speak of the increased comfort that would be thus ensured to passengers by protecting them from the sand laden winds and the heat and glare of the present wilderness barren soil.

5. The statement of area and condition, the ayakat abstract, and the demarcation certificate are herewith submitted.
