on letter from C. A. Eber Hardie Esquire, Extra Assistant Conservator of Forests, 1st grade, and acting District Forest Officer, Bellary, dated 14th November 1896 C.R No. 1636.

Resolution

Submitted to Government in continuation of B. P. 7 No. 1194 Mis, dated 28.8.96.

2. The Board at first stated that it was unable to recommend any officer for the appointment

appointment in Travancore. Mr. Peat subsequently suggested the name of Mr. Eber Hardie and the Board then enquired of that officer whether he would be prepared to take the appointment if it were offered to him. Mr. Eber Hardie's reply is now submitted for the orders of Government.

3. The terms upon which the Forest officer was to accept service in Travancore were not specified in the Resident's letter, and the Board in writing to Mr. Eber Hardie merely stated that it presumed the salary would not be less than Rs. 500 per mensem. Mr. Eber Hardie points out that it would not be worth his while to take the appointment unless a higher rate of remuneration were fixed. The Board is of opinion that Rs. 600/ per mensem exclusive of travelling allowance would be a reasonable rate of pay for the responsible duties which are to be allotted to him. It will be observed that the Conservator also supports Mr. Eber Hardie's claim to a scale of pay somewhat higher than his present salary. The provisions of Art. 806, Civil Service Regulations will have to be looked to, but there is apparently no objection to a liberal interpretation of these rules, if the nature of the duties in the foreign service

from
Service are more responsible than those ~~from~~ which the officer has been transferred.
