Letter from S. Gopala Krishna Aiyar Esq.
Executive Engineer, Tinnevely Division, No. 636
Dated 16th February 1897. —

With reference to your No. 240 J.C.
dated 8th February 1897, I have the honour
to inform you that as it was considered
certain that the surrender made in this
Office No. 82 dated 7th January 1897, will be
accepted, no steps were taken till now
to get more than the balance of grants
utilized on the works as the Overseer at
Srivilliputhur was sent away to Srivai-
- kuntham and there is no subordinate
at all in Tinnevely Head Quarter sub-
- Division for the last one month, it is
considered absolutely impossible to uti-
- lize the grants fully on the following
works and I therefore surrender the
amounts set against them for transfer
to works in other Division.

Stationary Sub. Magistrates'
Office at Sature ————— Rs 2000
- do - at Sankaranainar Coib " 2000
Improvements to Paluk Cutcherry - do - " 1000

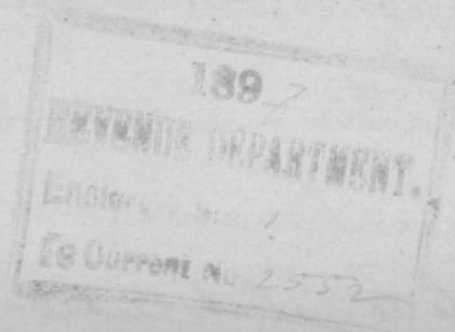

2. I have just received intimation
that

that two temporary Overseers are posted to the Division. Their arrival here will be too late to be of use in getting the grants fully spent.

Endorsement by the Superintending Engineer VI Circle, No 170 P.N. dated 19th February 1897.

Copy submitted to the Chief Engineer P.W.D with reference to para 4 (Items j, l & m) of G.O No 2714 dated 27th January 1897, and with a request that under the circumstances, the amounts surrendered by the Executive Engineer in the foregoing letter may be withdrawn.
