Proceedings of the Board of Revenue

(Separate Revenue),

Dated 13th March 1897.

His No. 1007

Read the following letter from the Collector of South Arcot Ref on Regs No 478 of 1896 dated 11th March 1897:—

Of the marginally noted arack and

farms which adjoins the French territory, all except the Cuddalore & Cudha Revenue Ins-
pector's farm found purchasers in the recent

Sales. The latter was put up to auction twice once on the 25th January 1897 and again on the 4th March 1897. But nobody bid for it. Its shops were then put up en bloc. But only one bid Rs 16 for a block consisting of 6 shops which is too low. They were then sold separately and all the shops 12 in number have

have found purchasers, the amount of bid aggregating Rs 546. The farm was sold for Rs 505 in the current lease.

2. I have the honor to enquire whether I can confirm the Sales.

3. In Government Order No $\frac{19}{18^{th} Jan 1896}$ the Government directed that the farms which immediately adjoin the French Territory should be sold as a whole. The Cuddalore Cusha farka not only extends up to the French Territory but comprises scattered portions of it within it. The shops now sold, however, are situated away from the French limits, their location having been adjusted by previous renters so as to be beyond the reach of competition by French shop keepers.

I am therefore of opinion that the present shop sales should be confirmed.

I may mention that some of the Cuddalore town shops which are in close proximity to the French limits continue to be sold as independent shops."

Resolution

Resolution

The Sale of the Cu d d alone
first a Shops may be Confirmed.
The renters of the frontier firstas should
not have been allowed to remove
their shops to a distance and so throw
the frontier ^{Customs} into the hands of the
French Shopkeepers. This should be rec-
tified next year.
