Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 6th January 1897.
No. 65 mis.

READ following letter from the collector of Bellary to the Secretary to Government, Revenue Department, through the Board of Revenue (Rev. Sett. &c.), dated 3rd January 1897. Reference on current G. & B. No. 1852 of 96:—

I have the honor to forward herewith the post copy of the telegram dated 1st January 1897.

2. The Executive Engineer, Bellary ^{Division} District, has already taken charge of some of the relief works and is arranging to shortly take charge of the rest. He estimates the monthly requirements at Rs

Rs 40,000 and requests that the allotment for the current month be placed at his disposal at once. The Board has in its Proceedings No 437 dated 16th December 1896 already requested the Government to make a grant of Rs 3,60,000 for relief works in this District and I have the honor to request that the Accountant General may be directed to provide the Executive Engineer at once with a sum of Rs 40,000 out of this grant.

Resolution.

Submitted for the orders of Government, in continuation of the Proceedings quoted.

2. As most of the works are Local Fund works and payments are all to be made by the Revenue Department, it appears to the Board, on reconsideration, that the funds should be placed

placed at the disposal of the collector, who will arrange to keep the paying officers in funds through his Tahsildars.
