~~2 - It is observed that under rule II of the rules sometimes in G.O. no 302 of 18th July 1896. the holder of a Kummaki may cut and remove trees and timber from Kummaki lands "for Agricultural or domestic purposes in the village in which such Kummaki is situated or in such other villages as the Collector may permit in writing" provided that the Kummaki holder had till the issue of the rules in question been enjoying such a privilege. The question, however, as to what should be considered "Agricultural or domestic purposes" in each case is left for the~~

BOARD OF REVENUE (LAND REVENUE), FOREST No. 18, 11TH JANUARY 1897.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from W. H. WELSH, Esq., Collector of South Canara, to the Secretary to the Commissioners of Land Revenue, dated Bekal, 14th December 1896, Ref. on P. R. No. 311-Ver. :—

I have the honour to solicit Board's orders in the following case.

2. A wargdar wants to cut trees in the kumaki of his warg situated in a village nine miles away and take the timber for the construction of a house in Mulki town. The question is whether the construction of a town-residence of the owner of the warg can be said to be "agricultural or domestic" purpose within the meaning of kumaki rule 2.

3. In paragraph 21 of his letter at page 8 of Board's Proceedings, Forest No. 82, dated 20th February 1896, Mr. Brodie, who drafted the original kumaki rules, stated that "the main object of the concession of kumaki privileges was to assist the kumakidar to cultivate his adjoining assessed land and prepare its produce for the market." He further said "at the same time it is impossible to admit that because a wargdar is allowed the free use of the produce of his kumaki in connection with his warg and to assist him in cultivating it, he is at liberty to take reserved trees from it to build a house or shops in Mangalore, twenty miles away or to obtain firewood free from it not to enable him to live on his warg but at a distance from it." He therefore proposed to restrict the use of kumaki produce to the village in which it grew. These restrictions were approved by the Board in paragraph 5 of Board's Proceedings, Forest No. 82, dated 20th February 1896.

4. I should therefore suppose that construction of a town-residence is not a purpose for which kumaki produce is intended. I think it, however, best to obtain Board's orders on the point as the rules are new.

RESOLUTION—Forest No. 18, dated 11th January 1897.

The Board agrees with the Collector in considering that the construction of a town-residence is not a purpose for which kumaki produce can be enjoyed free of charge.
