BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 25TH JAN. 1897, No. 62.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from M.R.Ry. M. V. NARAYANASWAMI PILLAI Avergal, B.A., Acting Deputy Collector, Jammalamadugu Division, to the Collector of Cuddapah, dated 16th January 1897, Ref. on C. No. 3202—297, and endorsement of the Collector thereon, dated 19th January 1897, Ref. on C. No. 191, Rev. :—

With reference to your letter Ref. on C. No. 191-Rev. of 1897, dated 14th instant, calling on me to submit proposals for the grant of dry remissions before the 20th instant, I have the honour to submit that I have received no information yet from the Tahsildars that the dry crops have already withered in any large tracts. In the fortnightly reports, the Tahsildars state that dry crops are beginning to wither. They have not yet withered. I found crops also in good condition in several villages last week in Proddatur taluk. If there should be a fall of half an inch of rain in another week or two, the withering crops may recover or yield an outturn, though short. I am sending by to-day's post urgent orders to the Tahsildars to report, and shall address you again on receipt of their replies.

2. I have not yet made any detailed inspection of crops, both because I have had no time to do so, and for fear that the same would have to be re-done if there should be even a small fall of rain.

Endorsement by A. C. TATE, Esq., Collector of Cuddapah, dated 19th January 1897, Ref. on C. No. 191-Rev.

Submitted to the Board of Revenue (Revenue Settlement) with reference to paragraph 5 of B.P., No. 472, dated 31st December 1896. I request that the time for the submission of the proposals for dry remissions may be extended till the 20th of February 1897.

RESOLUTION—dated 25th January 1897, No. 62.

In the circumstances reported, the Board sanctions the Collector's request that the time for the submission of proposals for dry remissions may be extended till the 20th February 1897.

BOARD OF REVENUE (REV. SETT., L. RDS. AND AGR.), 25TH JAN. 1897, No. 61.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from R. H. CAMPBELL, Esq., Collector of Bellary, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Bellary, 17th January 1897, Ref. on C. No. 197 :—

Referring to paragraph 5 of the Proceedings of the Board of Revenue, dated 31st December 1896, No. 472, I have the honour to request that the Board will be pleased to extend the time for submitting the report on dry remissions in this district as a special case to the end of February. Owing to the very late sowings following on the rains at the end of November, it is impossible to know definitely the fate of the *Mingari* crop until the middle of February. This crop will probably be a failure everywhere as it is most unlikely that we shall get any more rain, but at present the crop is still green and is not finally lost.

2. Taking the district as a whole, even the *Mungari* crop, except in Harpanahalli and isolated tracts of other taluks, has not yielded more than four annas outturn. Pending the submission of definite proposals, I have issued orders to postpone the collection of January kist on dry lands in Bellary taluk except 22 villages where the outturn of *Mungari* crop is reported to be four annas and above. The Head Assistant Collector proposes similar suspension in the case of affected tracts of his division. To obviate the necessity of collecting any assessment that is likely to be remitted and any consequent hardship to really impoverished ryots (*vide* paragraph 2 of B.P., dated 7th December 1896, No. 326), I request that I may be permitted to postpone collection of dry assessment for January and February kists in all cases in which I am satisfied that such a course is desirable and Divisional Officers consider it necessary. The special attention of the Divisional Officers has, however, been drawn to the concluding portion of paragraph 5 of B.P., No. 472, dated 31st December 1896, and care will be taken to see that effect is given to the Board's wishes therein expressed.

RESOLUTION—dated 25th January 1897, No. 61.

In the circumstances reported, the Board sanctions the Collector's proposals (1) that the time for the submission of his report on dry remissions may be extended to the end of February, and (2) that he may be permitted to postpone the dry kists for January and February in all cases in which he is satisfied that such a course is desirable and Divisional Officers consider it necessary.

2. With regard to the first proposal, however, it is observed that in its Order Mis. No. 159, dated 11th January 1897, Government desires to have the special report called for in B.P., dated 18th December 1896, No. 448, at an early date. The Collector is, therefore, requested to submit the report with all possible expedition.
