BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 25TH JAN. 1897, No. 50.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—again the following Proceedings of the Board of Revenue (R.S., L.R. and Agri.), dated 16th December 1896, No. 442:—

Resolution—dated 16th December 1896, No. 442.

With reference to the personal instructions issued by the Commissioner, when in Sirvel, that Circle Inspectors should be appointed to make the inquiries indicated in section 75 of the Famine Code, the Collector of Kurnool will be informed that no steps should be taken to start a poor house in that taluk without further orders. The necessary Circle Inspectors should, however, be appointed under section 40 of the code, and the inquiry as to the number and condition of the destitute persons in villages pushed on. The Collector may also, if he finds it necessary, open relief kitchens under section 64 of the code at suitable centres.

2. The Collectors of the remaining Deccan Districts should also take the initial steps laid down in section 75, so that the system of circle inspection may be started as soon as it appears necessary.

3. For giving effect to these instructions, Circle Inspectors will be required and the Board resolves to request the permission of Government to suspend, during the continuance of distress, the notice of discharge issued in pursuance of G.O., No. 3891, dated 29th September 1896, to six Stock Inspectors, with a view to their employment in the supervision of gratuitous relief, at which they obtained experience during the distress of 1891-92.

4. The Collectors concerned should apply to the Board for the services of any of these officers, or for those of any of the Agricultural Inspectors (3) employed under this department, who may be required.

READ—again the following Proceedings of the Board of Revenue (R.S., L.R. and Agri.), dated 5th January 1897, No. 10:—

Read—the following G.O., No. 760, Press, Revenue, dated 30th December 1896:—

Read—Proceedings of the Board of Revenue (R.S., L.R. and Agri.), No. 442, Press, dated 16th December 1896.

Order—No. 760, Press, Revenue, dated 30th December 1896.

The reports submitted to Government on the course of the distress in the several districts do not show that gratuitous relief is likely to be needed in any portion of the affected tracts for a very considerable time to come. Such relief, when once started, spreads rapidly, and is expensive and difficult to control. It is needed only when the season continues bad for a long time in order to save life, but it should not be started till then. The engagement of Circle Inspectors is not a difficult matter and the Government sees therefore no reason to suspend the notice of discharge issued in pursuance of G.O., No. 3891, dated 29th September 1896.

The Board of Revenue is informed that in the opinion of Government there is at present no need to appoint Circle Inspectors.

RESOLUTION—dated 25th January 1897, No. 50.

Communicated to the Collectors of the affected districts, with reference to B.P., Nos. 442 of 1896 and 10 of 1897, for information and guidance.

2. Under the order read above, the Circle Inspectors already appointed in Kurnool and Cuddapah should be dispensed with. In the former district, such preliminary inquiries as may be necessary regarding destitute persons in villages should be undertaken by the ordinary Revenue staff; in the latter, the Collector should consider, in the light of the experience now gained, what staff will be required to supervise the weaver relief operations in lieu of the Circle Inspector (B.P., Mis. No. 229 of 1897). $\times \int \frac{328}{21-187}$
