The papers about Malby's retirement are now in circulation with the suggestion that the Govt. of India be addressed to teach him the price of abolition of the appointments occupied by Malby & Shukla. There seems to be not the least likelihood that the will be prepared to return to India & Shukla seek for the same of Govt. in the future.

From the Supt, Madras Survey
The Hon: Mr. J. C. S.

The Hon: Mr. Bliss C. S. S.

Dated 12th Decr 1896.

FOR ORDERS.

With reference to the remarks contained in the office note appended to the last Survey budget and concurred in at the time by the Hon: Mr. J. C. S., Mr. Thornhill's application recorded in G.O. 1906 of 13th May 1895 and a similar one (Chs. 9129 of 96) which has been since received from Mr. Malby are submitted for orders.

2. Mr. Thornhill it will be seen is willing to retire on whatever pension ^{the} rules may allow him while Mr. Malby who has not yet completed 25 years' service trusts that the Govt. will grant him Rs 6000 per annum as he will have put in nearly 25 years' actual service on the 1st of April 1897. The amount of pension

that should be granted to each is it
 it is submitted, a matter that has
 to be considered in the Pension Dept
 later on. The point on which orders
 are now required seems to be merely
 whether there is any objection to
 abolishing their appointments and
 to obtaining the sanction of the Govt
 of India thereto without waiting for
 final orders on the general question
 of the reorganization of the existing
 Survey Dept into a Land Records Dept.

3. A Separate note

on the general question above re-
 ferred to has already been submitted
 to the Under Secy. From the State-
 ment on page 9 of the B.P. on the
 subject it will be seen that excluding
 Mr Cardoso and excluding also
 three others who have completed
 their service, there are at present
 15 Officers in the Survey Dept to
 be provided for. Neither the B.P.
 nor the Supt's memorandum therein
 provided furnishes any definite
 information as to the number
 of these Officers whose services may
 in future be utilized for Survey or
 Land Records work. It seems

 cannot be found for all these Officers
 and Mr Cardoso has already ex-
 pressed his opinion that some of
 them may be retired on compen-

 the efficiency of the Dept. The Survey
 budget for the ensuing year has
 been framed in these circumstances
 on the supposition that both Messrs
 Maltby and Thornhill would be
 allowed to retire at the end of the
 current year and that the Board's
 scheme would be sanctioned. It
 is however doubtful whether final
 orders could be passed by the Govt

 the above circumstances solicited
