The peti. states that on the 5th November 1895 he presented a complaint before the 2nd class Magte of Panrote against one Narayanan for his having cut down a mango tree of the value of Rs. 100 that stood on a govt. patti poramboke. The Magtes 2nd clerk inspected the spot and found the petrs allegation to be correct. But as the Karnam of the village reported that there was a pattah for the tree, the petrs complaint was rejected. On the 10th of the same month the peti. presented a petition to the Asst Coll. who on 13.3.96 ordered that the tree should be taken possession of by Govt., but did not inflict any punishment on the persons complained against. The peti. thereupon complained to the Coll. who asked the peti. to produce the "settlement decree" which the peti. did. The matter was then transferred to the Magte of Panroti who issues an order favourable to the defendant. The peti. thereupon appeals to the

the Board of Revenue which referred him to the Coll. for orders; and a month after this the petr received an order from the Asst. Coll to the effect that the Board has dismissed his appeal. The petr and many others prove that the tree in question stood on a govt poramboke and the Karnam stands alone in contradicting this fact. The Karnam has been on many occasions punished for fraud and the accused Narayanan has been once before fined Rs 22. The petr therefore prays that the matter may be enquired into & that due punishment may be awarded to the offender concerned. If this is not feasible he prays that a sum of the value of the tree ~~[illegible]~~ may be paid to him, as his expenses in bringing the matter to the notice of the authorities amounted to that sum
