Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture).

Dated 27th January 1897.

No. 567 mis.

READ again Board's Proceedings No 137 mis. dated 6th January 1897 recording, pending receipt of replies from other collectors, letters from the collector of Vizagapatam, reporting that no deposits of corundum are known to exist in the District.

Read also the following letter from the collector of Godavari, dated 27th December 1896 No 4166/Ver of 96. : —

In reference to Board's Proceedings No 6094 Mis dat'd 1st December 1896, I have the honor to state that corundum is

is said to exist in the hills North
west of Rajahmundry but the
precise locality in which it
may be found is not known.
In connection with the preparation
of a conspectus for Mineralogical
Survey, enquiries have been
made as to the existence of
this mineral in this district,
but both the Special Assistant
Agent and the Sub Collector
report that it is not to be
found in this Division. A
similar enquiry was
instituted throughout
the District in 1893 on receipt
of Board's Proceedings ^{No. 29} ^{Memorandum}
dated 19th January 1893 and
all the Taluk officers reported
that the mineral was not
found in their taluks
and that samples of the
mineral were available
for sale in some of
the

the Bazar.

Resolution

Submitted for the information
of Government, with reference
to Government Order, No. 3801
dated 23rd September 1896.
