Commissioner. The Assistant Commissioner received it on 21st September 1896, and transmitted the same to me, with his recommendations on the 9th October 1896. It was received in my office on the following day and I accepted the tender in anticipation of the Board's sanction on the 13th idem and the acceptance order was despatched to the officers concerned on the same day. The Tahsildar, Kandigama received the order on the 16th and sent a gadast to the renter on the next day. As the renter did not make his appearance to execute the necessary mulchika, he sent a reminder on the 23rd and that also failing, issued a summons on the 27th which was served on the 31st. The applicant says that he received the Tahsildar's gadast 3 days before this.

3. As the renter could not commence before the receipt of the order of acceptance, I recommend that the October 1896

FOR ORDERS.G.O. no. 693 of 6th Feb. 1897

The Collector's recommendation supported by the Board of Rev - that Rs 133-5-4 may be remitted - is approved and sanctioned.

2. The loss of this revenue ~~was~~ largely attributable to the delay in forwarding which occurred in the Assistant Commr's office in transmitting the tender to the collector ^{on the} 21st September to 9th October 1896.

3. ~~It is observed that the collector should be reported in the matter~~ was not bound to arrange for the Tahsildar's yadars of the 17th October reaching him in time and whether he was ^{therefore} responsible for a part of the loss.

To the Board (S.O.) Dtd. 9-2-97

Note

The lease began on the 1st October 1896 as observed by the Secretary. But if the collector had made proper arrangements, he would have got the Tahsildar's yadars on the 15th or 16th and begun his sales at once. The result
