The Board is not prepared to recommend the utilization of a dasabandam Charitable Inam for Educational purposes. The Collector is requested to inform the Saluk Board that unless they can undertake to utilize the amount in connection with water-supply in some form or other, the assessment will have to be brought to the credit of Government.

Resolution

The papers read above will be submitted for the orders of Government.

2. In his letter of 29th August 1896, the Collector of Amantapur recommended that the Charitable Inams covered by Fihle deeds Nos 395, 398, 474 & 477 of the Hindupur Saluk might be resumed and incorporated with the Government Ayakat, as the Inamders had failed to maintain the works (mostly wells) for which the Inams

Inams had been granted. He was requested to ascertain whether the Saluk Board concerned was willing to receive the assessment on the Inams and maintain the works referred to or to utilize the same on some local charitable purpose under para 2 of Government Order $\frac{1159 \text{ Rev}}{2-8-95}$. With his letter dated 12th April 1897, the Collector forwarded to the Board copies of two resolutions passed by the Saluk Board at Penubonda, recording, in the one, their inability to undertake the upkeep of the works and expressing, in the other, their willingness to receive the assessment and utilize it for educational purposes. Thereupon, in its reference dated 17th May 1897, the Board observed that it was not then prepared to recommend the utilization of the assessment for educational purposes and requested the Collector to inform the Saluk Board that unless they could undertake to utilize the amount in connection with water supply in some form or other, the assessment would have to be credited to Government.

3. In the letter last read above, the Collector reports that the Saluk Board has again expressed its unwillingness to utilize the amount in connection

connection with water supply. Accordingly the Board,
on reconsideration, recommends the adoption of
the Collector's proposal to permit the Saluk-
Board to spend the income on Education. As
will be seen from Government Order $\frac{1159}{2-8-75}$ (paras),
Government has recognized the maintenance of
schools as one of the objects to which the income
of resumed charitable Inams may properly be
devoted.
