In his letter under
G.O. No 3388 dt 5th July 1897,
the Director of Public Instruc-
tion applied for the sanction
of Govt to the transfer of a
piece of land in the Holmes'
Gardens under the control of
the Forest Dept to the Saidapet
College of Agriculture, the
Collector, the Conservator and
the Board who had been con-
sulted by him on the matter
having expressed their willing-
ness to hand over the land to
the Educational Dept on con-
dition that the value of the
trees standing thereon (Rs 450
was paid to the Forest Dept.
The papers then submitted how-
ever gave no information as
to the object for which the
land

land was required or as to its extent and hence the G.O. above referred to was issued.

2. In reply to that G.O., the Director now submits a letter from Mr. Kees from which it appears that the main object for which the land is required is the extension of the College farm and the prevention of the trespass of cattle into the fields attached thereto, and that the area of the land is estimated to be between 10.9 and 10.19 acres. The land is apparently not utilized by the Forest Dept. in any way and as the Collector, Conservator and the Board have no objection to the transfer proposed it may it is submitted be sanctioned. As regards the payment to the Forest Dept. of the cost of trees, it is submitted that it is in accordance with the provisions of Art 95 of the Civil Account Code Vol I and the Director has promised to arrange for the payment
