Proceedings of the Board of Revenue

(Land Revenue).

No.No.156 Misc., dated 14th January 1897.

Read the following:-

1. Application from the Collector of Cuddapah, Cur.No. 5947/acc., dated 10th December 1896.
2. Endorsement of the Accountant-General, No.351, dated 18th December 1896, forwarding application from the Collector of Cuddapah, dated 29th November 1896.
3. Also Endorsement of the Accountant-General, No.352 dated 18th December 1896, forwarding Endorsement of the Collector of Madras, Ref.No.3913, dated 4th December 1896.

Resolution

Submitted to Government.

2. In its Proceedings No.4525, dated 3rd October 1896, the Board sanctioned an additional allotment of Rs.1000 required by the Collector of Madras for expenditure under Law Charges from general savings for the Presidency under "Land Revenue Charges of District administration"- "Supplies and Services"-But the Accountant-General in his letter disposed of in Board's Proceedings No.4795, dated 23rd October 1896, pointed out that heads of offices or departments could only sanction additional allotments by re-appropriation of ascertained savings within the same major head and requested that the additional allotment applied for might be sanctioned from specific savings in the grants for contingencies or supplies and Services of that or any other district. The Board accordingly sanctioned the allotment from the reserve at its disposal.

3. Since then several applications for allotments have been received from ~~these~~ ^{these} Collectors and have been complied with from the Board's reserve. There is now ~~no~~ ^{no} reserve from which the requisitions from the Collectors of Cuddapah and Madras can be met and it is not possible to ascertain what savings are likely to be available in districts under each minor item.

4. The Board therefore requests that, under para 98 of the budget rules, it may be authorised to sanction additional allotments that may be required by Collectors from general savings under "3 Land Revenue charges of District administration". The expenditure for the current year is not likely to exceed the revised estimate of Rs. 39,68,100 against the sanctioned grant of Rs. 40,23,500.

5. The additional allotment of Rs. 40 asked for by the Collector of Cuddapah under 30 Stationery & Printing, Purchase of Stationery in the country, Land Revenue, is sanctioned from the reserve of Rs. 180 provided in column 76 of the statement appended to Board's Proceedings No. 270, dated 22nd July 1896.

To

*THE Secretary to Government,
Revenue Department,*

SIR,

With reference to Government Order A N^o. 164 dated the 25th of January 1897 referring to me for remarks Board's Proceedings, Miscellaneous N^o. 156 dated 14th of January 1897 requesting that it may be authorised to sanction additional allotments that may be required by Collectors from general savings under "3 Land Revenue charges of District Administration", I have the honour to state that such delegation is opposed to Article 76 of the Civil Accounts Code and to para 98 of the Budget rules, as it would impair budget control over contingent expenditure.

expenditure. Further the necessity for such a delegation is not apparent. The Board can ascertain the heads which show savings and the districts in which they are likely to occur from a comparison of its district-wise distribution of grants with the progressive figures obtained from the monthly statements of actuals, I send from my office. When the grants under all the heads are likely to be exceeded, the sanction of Government for meeting the excess expenditure from savings in the grants for salaries and establishments should be applied for.

2. The enclosures to your reference are herewith returned.

I have the honour to be,
 Sir,
 Your most obed^t servant,
 W. Harrison
 Off^r Accountant General.
