Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture).

Dated 28th January 1897.

No. 645 mis.

READ the following letter from the
Examiner of Guaranteed
Railway Accounts, Bombay,
dated 18th December 1896.
L. I / 855 of 1896. :-

With reference
to the Madras Board of
Revenue's resolution No
6424 mis. dated 10th instant
I have the honor to state
that the Board's presumption
in respect of increase in
expenditure on account
of salaries of establish-
ment is correct. As regard
rent, the discrepancy appears
to

to be due to a clerical error and the figures in the budget may therefore be read as under:—

Actuals 1895-96	Revised estimate of 1896-97	
	Actuals for the first 4 months	Probable estimate for the remaining 8 months.
Rs 63	Rs 48	Rs 36.

2. Provision for contingencies is not made in the budget estimate of Madras for 1897-98 as the cost of the expenditure that may be incurred under that head at Bombay will be borne by the Bombay Government.

Resolution.

Submitted to Government, with reference to clause (5) of Government Order No 720 Revenue dated 14th December 1896.

2. The Examiner, Guaranteed Railway accounts, Bombay, reports

reports (1) that the Board's presumption in para 4 of its Proceedings No 16424 mis dated 10th December 1896 was correct, (2) that the actuals of the first four months under Rent, rates and taxes were by a clerical error entered as Rs 72, while the correct amount is Rs 48, and (3) that no provision for 1897-98 need be made under 'contingencies', as the entire expenditure under that head will be borne by the Bombay Government.
