Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Forest Act for the constitution of the Bollapalli extension No. 3 block, in the Vinukonda taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE.)

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna, Masulipatam), dated Camp, Vinukonda, 11th February 1897, Ref. on Cur. No. 116 :—

I have the honour to report the conclusion of the settlement of the proposed Bollapalli extension 3 reserve in the Vinukonda taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared at page 1513 of the *Fort St. George Gazette*, dated 29th November 1892, and the proclamation under section 6 of the Madras Forest Act V of 1882 was published in the *Kistna District Gazette*, dated 4th March 1893. The time allowed for the presentation of claims expired on the 4th June 1893.

3. Mr. J. T. Lever was originally appointed to settle this block and afterwards Mr. R. H. L. Lushington and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Forest Settlement-officer.

4. The reserve was inspected, perambulated and enquired into by Mr. J. T. Lever in August 1894, and 28 claims were preferred for the following rights :—

(i) Nineteen claims to Government patta and inam lands.

(ii) Eight claims to certain rights of way.

(iii) One claim to use the water of Venkapalem tank.

The claims to patta and inam lands were all admitted and the fields in seventeen claims have been excluded by an alteration of the boundary of the reserve, while those in the remaining two claims have been acquired under the Land Acquisition Act. Of the eight claims to certain rights of way, five claims to four rights of way were admitted, while the remaining three claims were rejected as unnecessary. The claim to use the water of Venkapalem tank was rejected as unnecessary, the tank having been excluded by an alteration of the reserve boundary.

5. The reserve is thus free of all rights except the four rights of way referred to above.

6. The following are submitted herewith :—

(i) A signed copy of the B. register of claims.

(ii) The draft notification under section 16 of the Act.

(iii) The numerical statement of claims.

(iv) The sketch-map of the reserve.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 324, dated 29th July 1897 :—

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna, Masulipatam), dated Camp, Vinukonda, 11th February 1897, Ref. on Cur. No. 116 :—

I have the honour to report the conclusion of the settlement of the proposed Bollapalli extension 3 reserve in the Vinukonda taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared at page 1513 of the *Fort St. George Gazette*, dated 29th November 1892, and the proclamation under section 6 of the Madras Forest Act V of 1882 was published in the *Kistna District Gazette*, dated 4th March 1893. The time allowed for the presentation of claims expired on the 4th June 1893.

3. Mr. J. T. Lever was originally appointed to settle this block and afterwards Mr. R. H. L. Lushington and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Forest Settlement-officer.

4. The reserve was inspected, perambulated and enquired into by Mr. J. T. Lever in August 1894, and 28 claims were preferred for the following rights :—

(i) Nineteen claims to Government patta and inam lands.

(ii) Eight claims to certain rights of way.

(iii) One claim to use the water of Venkapalem tank.

The claims to patta and inam lands were all admitted and the fields in seventeen claims have been excluded by an alteration of the boundary of the reserve, while those in the remaining two claims have been acquired under the Land Acquisition Act. Of the eight claims to certain rights of way, five claims to four rights of way were admitted, while the remaining three claims were rejected as unnecessary. The claim to use the water of Venkapalem tank was rejected as unnecessary, the tank having been excluded by an alteration of the reserve boundary.

5. The reserve is thus free of all rights except the four rights of way referred to above.

6. The following are submitted herewith :—

(i) A signed copy of the B. register of claims.

(ii) The draft notification under section 16 of the Act.

(iii) The numerical statement of claims.

(iv) The sketch-map of the reserve.

7. The date from which reservation is to take effect has to be inserted in the draft notification.
