note.

The Board recommends that two revenue inspectors with one person each, for six weeks, may be sanctioned, instead of the taluk of Gooty, Anantapur & Kalyandurg. Instead of one revenue inspector with one person for 3 months, one sanctioned in § 04. 43254-97 & 5294 2 Dec. 1896. One additional inspector is also recommended for Gooty and for C. 6/2/97. R. 9/2/97

SUBJECT.

Requesting the sanction of Government for the entertainment of one additional Revenue Inspector for 6 weeks for each of the Taluk of Gooty, Anantapur and Kalyandurg instead of one Revenue Inspector already sanctioned for 3 months for the entertainment of a third Rev. Inspector for Gooty & one for Tadpatri with a person for each of the special Rev. Inspectors for six weeks.

P.T.O.

Tadpatra, with one pen for each. The first proposal is made with a view to ^{loans} expedite work. The necessity for the two additional inspectors appears also to be made out.

The men will probably be RS needed much longer.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture).

Dated *29th January* - 1897.

No. *739* M.

READ *the following letter from the collector of Anantapur, dated 22nd January 1897. Reference on Current No 26.2. With reference to Board's Proceedings No 5 dated 1st January 1897 M. Revenue Settlement, enquiring whether any further assistance is required in disposing of loan applications, I have the honor to state that at present 974 applications are pending at Gooty, 325 in Anantapur, 258 in Kalyandurg,*

Kalyandurg and Tadpatri. The number of applications being presented is also increasing in all these Taluks.

2. In Gooty, Anantapur and Kalyandurg, 116, 302 and 75 applications respectively have already been accepted.

These do not refer to any particular part of the respective Taluks but to villages scattered all over. Consequently the work in these 3 Taluks has grown so heavy that one Revenue Inspector sanctioned for each of them can hardly be expected to attend to it with anything like promptness. The Ordinary Revenue Inspectors are therefore saddled with the work of enquiry into loan applications in addition to their routine

routine work. It is now desirable to relieve these Revenue Inspectors of all work connected with the loan enquiry so that they may have ample time to inspect the works sanctioned up to date. It is obvious that unless the works are constantly inspected and the borrowers compelled to put the work in hand at once, one main object — giving employment to the labouring classes near their homes — will not be secured.

3. I therefore beg to recommend that one more Special Revenue Inspector may be sanctioned for each of the Taluks of Gooty and Tadpatri for six weeks with a peon for each for the

the same period. Further, I beg to state that with a view to more speedy disposal of the applications, I have in anticipation of Board's approval authorized the Divisional Officers of Gooty and Anantapur to entertain two Inspectors for 6 weeks, with a peon each, for each of the Taluks of Gooty, Anantapur and Kalyandurg instead of one Inspector for 3 months. I request that my action may be approved.

4. A proposition statement in duplicate is herewith submitted.

Resolution.

Submitted for the orders of Government through the Accountant General.

2. In Government orders

No.

Nos 5294 mis dated 22nd December 1896 and 43 mis dated 5th January 1897. one additional Revenue Inspector on Rs 40 was sanctioned for each of the Taluks of Gooty, Anantapur and Kalyandurg and a peon for each of the two latter for three months. For each of these Taluks the collector recommends that two Revenue Inspectors for six weeks instead of one each for three months may be sanctioned with a peon for each Revenue Inspector. He also requests sanction for the entertainment of a third Revenue Inspector for Gooty and one for Tadpatri for six weeks, with a peon on Rs 6 for each of the Special Revenue

Revenue Inspectors.

3. The collector has already issued instructions for the entertainment of the Establishment referred to in the second sentence. The Board approves his action and requests the sanction of Government for the additional establishment. If at the end of six weeks the collector finds that there is still work for the Special Revenue Inspectors, he may apply for their retention after that period.

4. The proposition statement sent up by the collector is not in the form prescribed in Government Order No 604 dated 21st September 1896 and a statement in the

the proper form is prepared in this office and submitted to Government.

5. The cost of the additional Establishment can be met from savings under the provision made for Temporary Establishment under 3A Land Revenue.
