The humble petition of the Clerk
employed on Registration of Rail -
Boat Trade Statistics in Trichinopoly
under the Control of the Examiner of
Guaranteed Railway Accounts, Bombay.
Most Respectfully Sheweth.

That His Excellency's humble
Servants were on their first appointment
been assured that their services would
be permanent and pensionable from
the 1st April 1885 as per letter No. 2471 of 1889 & 90
from the Examiner of Guaranteed Railway
Accounts, Bombay.

3. That His Excellency's poor servants made an application on the 6th July 1896 to the Examiners requesting him to recommend them to any Government Department so that there may be no break in the Govt Service or to recommend them to the Agent South Indian Railway to take them with an increase of pay whereupon the Examiners was pleased to comply with the request and asked the Chief Auditor S. J. A. to provide them with footing in his department.

4. That accordingly the Chief Auditor agreed to take them in the non pensionable service, to which arrangement His Excellency's poor servants were obliged to consent as there was no other go for the present (vide copies of correspondence attached)

5. That His Excellency's applicants made a second application to the Examiners on the 14th August 96 requesting him again to strongly advocate their claims to

to the Government so that the Government may ask S. I. Qy Agent to take them without interruption to their former pensionable service to which the Examiners was pleased to reply as follows - as per his memo No $\frac{L.I.}{392}$ of 1896.

"The Auditor S. I. Qy has been requested to employ men in the Govt Service in preference to outsiders and the names of all blacks to be discharged have been circulated for employment in other Government offices. Nothing more can be done."

6. The petitioners however beg to state that what was prayed for was a non-interruption in their pensionable service as promised in their first appointment and the concession if kindly granted would place the petitioners under everlasting gratitude to Government.

7. In conclusion the petitioners beg to state that as they learn that the work of Rail-Borne Trade Statistics which was transferred to the S. I. Qy Compt from the 1st October is to be conducted at the Government Cost of P. 200, they

No. 390 Miscellaneous

Read Memorial to His Excellency the Governor,
Submitted by V. A. Gummawami Chetty,
and others, clerks employed in the Registration
of Railborne Trade Statistics, Trichinopoly,
dated 29th September 1896, praying to
issue orders to the Agent, South Indian
Railway, to keep them in Service, without
interruption and to count their period
of Service as pensionable.

Resolution

Submitted to Government.

2 The petitioners were clerks.

under the Examiner of Guaranteed
Railway accounts, Bombay, for the
Registration of Rail-borne traffic
on the South Indian Railway, and
their Services under Government were
dispensed with on 30 September last
on the transfer of the work of registration
to the Railway administrations concerned
under the Scheme referred to in the
papers Communicated with G.C. dated
19 November 1896 No. 4676 Revenue.

The petitioners seem to have been
retained in employment on the said
work by the South Indian Railway,
but their grievance is that the Service
under the Railway Company is not
pensionable and they request that
the Company may be asked to keep
them

them in "without interruption in
the Government pensionable Service

any other Government Department"

3. Of the petitioners, one V.C. Ratham
Chetti was a temporary hand and his
Service was non-pensionable - vide

were entertained in May 1885 and their
Services were declared pensionable in
Financial G.C. Communicated with
G.C. No. 3681 Revenue dated 14 June
1889 and they are entitled to
proportionate pensions for the
Service completed. It is observed
that there are seven clerks
Similarly Circumstances and

working under the Madras Railway Company.

4. The Board does not consider it permissible that the Services of the petitioners under the Railway Company should be allowed to count as pensionable Service under Government; but there is no objection to their being re-entertained in any Government Department, which may require their Services.
