REVENUE DEPT

DEPARTMENT OF MAINE

His Excellency the Governor in Council
 Fort Saint George
 The most humble petition of Sanjoe District
 Most respectfully sheweth
 That the present system of taxation of the village
 of Puthadars in his village, was started in the year
 1843, which is nearly 30 years ago when things were
 very light and the price of food grains were very
 cheap, but during the past 12 years the price of
 food grains has become greatly increased and prices of food grains too
 have gone up, and the poor people find it very
 difficult to maintain themselves with the poor and
 made the rate of tax, not 2 paise for VII but 10 paise
 for VII.

System they have to attend the Talag and jamadary offices for more than 3 months a year without batta or allowance of any sort, but spending out of their own pocket at least annas five (as 5) per day or nearly Rs 10 per mensem, for meals while the salary comes to about annas four (as 4) a day or Rs 7 a month.

3. In addition to the above the poor petitioners have to perform the work of surveyors measuring the fields with the chains making sketches plotting &c in their respective villages.

4. The only servant at the disposal of the village officers is the Dastar-pur or Peon whose services are almost wholly required by the Manager for the collection & remittance of tax for the conduct of magisterial & civil works and for carrying reports, accounts &c to Talag and other authorities; and so he has hardly any time left to assist the thumam in the measurement of fields and other out door works.

Learning out of account that portion of the amount which the Government has to contribute as per act IV of 1893 towards the village service fund the collection of village cess alone under the present system amounts to about Rs 5000 in the Talag. Out of this

Sum only about Rs 42,000 is being spent towards the salary of village officers at present. Thus there is a surplus of Rs 14,000 per annum, which Sum, the poor petitioners humbly beg to submit, may be utilized towards the increase of salary, payment of batta or allowance to the poor petitioners while on duty out of their villages, and appointment of one or more servants or Thotties to assist the thumam in measurement works etc.

The petitioners therefore most humbly beg your Excellency in council to take their hard case into your lordship's benign consideration and to be graciously pleased to sanction (1) increment of salary (2) proper allowance or batta while on duty at Talag Head quarters and other places outside their respective villages (3) and the appointment of one or more servants or Thotties to assist them in
