BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 28TH DEC. 1896, No. 463.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from J. K. BATTEN, Esq., Acting Collector of Trichinopoly, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 26th November 1896, Ref. on Cur. No. 2825-Rev. :—

Adverting to Board's Proceedings, No. 202 (Settlement, &c.), dated 21st August 1896, I have the honour to enquire whether the rates of Rs. 3 and Rs. 2-4-0 are to be repeated for a second dry crop raised on dry land and systematically irrigated at regular intervals, or whether only half the rates are to be charged. If the rates are to be repeated, the total charge for the two dry crops will be the same as that for two wet crops raised on dry land, which will be hard on the ryots raising dry crops.

RESOLUTION—dated 28th December 1896, No. 463.

In the letter read above, the Collector of Trichinopoly enquires whether the rates sanctioned in Board's Proceedings, No. 202, dated 21st August 1896, for dry crops systematically irrigated at regular intervals, viz., Rs. 3 and Rs. 2-4-0, apply to the first crop only or to first and second crop equally.

2. In the latter case, not only, as pointed out by the Collector, will the total charge for two crops be equal to that on two wet crops, but the charge for a second dry crop will be more than that for a second wet crop, though, as a matter of fact, dry crops do not consume as much water as a wet crop.

3. The rates for a second dry crop of the description referred to by the Collector may, the Board considers, be fixed at Rs. 2 and Rs. 1-8-0, respectively, which are also the rates fixed for a second wet crop and for a dry crop, whether first or second, watered occasionally.

(True Copy and Extract.)

R. J. Srinivasan
Secretary.

To the Secretary to Government, Revenue Department.
Copy to the Collector of Trichinopoly.
