Ganjám.—Rupees 181 represent the amount embezzled by a village officer who is a pauper. It is reported that the village officer has absconded and that a search warrant for his arrest has been issued by the Magistrate.

Górávari.—(1) Rupees 17 due on service inams which were left waste. It is reported that the inamdars have no other property.

(2) Rupees 9, due on a service inam washed away by the river Górávari.

Tanjore.—Rupees 663 represent the amount carried off by dacoits from a village officer in the Pattukkóttai taluk on his way to the treasury for remitting the amount. The Magistrate found that there was no doubt as to the truth of the occurrence and one of the persons charged with the dacoity was convicted and sentenced to five years' rigorous imprisonment. The Board considers that no steps under Regulation IX of 1822 can be taken against the village officer for the recovery of the amount and accordingly recommends that it may be written off the accounts.

Coimbatore.—Rupees 6, due from a pauper minor. It is presumed that the land had been left waste.

Salem.—Rupees 4 represent the jodi on certain inam lands submerged in the water spread of a tank.

6. In addition to the amount recommended in paragraph 2 *supra*, the sanction of

Government is requested to write off the irrecoverable arrears noted in the margin. The amounts shown against Madura under fish rent and forest revenue and the amount appearing against North Arcot and Rs. 103 included in the amount shown against South Canara are irrecoverable, the processes authorised by law having been exhausted. The sum of Rs. 170 appearing against Madura represents the assessment due on certain village service inams. It is reported that the village officers have no movable property to be proceeded against and that as the lands

were worthless they have been bought in by Government for the arrears. The sum of Rs. 24-14-0 in Trichinopoly represents the amount for which the usufruct of certain tamarind trees was leased out. The Collector reports that the whereabouts of the lessee are not known and that the amount cannot therefore be collected. Rupees 72-8-0 in South Canara represent the amount lost to Government by the resale of minor forest produce on the failure of the original lessee to execute the usual muchilka. The defaulter lives in Mysore and there is no means of recovering the amount.

7. The Collector of Coimbatore has included in the statement a sum of Rs. 2-15-0 representing the irrecoverable arrears of irrigation cess. The amount should have been excluded as the Board in this department has no control over the receipts under that head—*vide* paragraph 6 of Board's Proceedings, No. 299, dated 17th August 1895.
