Read—the following letter from D. D. MURDOCH, Esq., Acting Collector of Chingleput, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Saidapet, 9th April 1897, C. No. 1253 :—

I have the honour to submit, for approval and publication in the *Fort St. George Gazette*, a draft notification, under section 4 of the Forest Act, for the constitution, as reserved forest, of the proposed extension No. 1 of the Anjur reserved forest, block No. 17, in the Chingleput taluk.

2. The area of the proposed extension is about 239 acres adjoining the area (1,514 acres) already notified under section 16. Out of this area about 100 acres represent the area of grazing ground, poramboke and firewood jungle recorded as such in the settlement register.

3. This selection has been approved by the Conservator and sanctioned by the Board and Government (Board's Proceedings, Forest No. 382, dated 18th August 1896).

4. The required statement of area and condition and the certificate of perambulation, together with a sketch of the proposed extension, are enclosed.

5. The statement appended below furnishes the information called for by the Board in its Board's Proceedings, Forest No. 459, dated 2nd October 1896 ;—

Read—the following letter from D. D. MURDOCH, Esq., Acting Collector of Chingleput, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Saidapet, 12th April 1897, C. No. 1255:—

I have the honour to submit, for approval and publication in the *Fort St. George Gazette*, a draft notification, under section 4 of the Forest Act, for the constitution, as reserved forest, of the proposed Maiyur block in the Madurantakam taluk comprising an area of about 283.92 acres.

2. This is an artificial plantation made by the late jungle conservancy department and handed over to the Forest Department in 1883, when the two departments were amalgamated. It contains chiefly casuarina trees.

3. The reservation of this plantation under the Act was recommended by the Conservator and approved by the Board and Government (Board's Proceedings, No. 382, dated 18th August 1896).

4. The required statement of area and condition and the certificate of perambulation, together with a sketch of the block, are enclosed.

I have the honour to submit, for approval and publication in the *Fort St. George Gazette*, a draft notification, under section 4 of the Forest Act, for the constitution, as reserved forest, of the proposed extension No. 3 of the Senkundram reserved forest, block No. 25, in the Chingleput taluk.

2. The area of the proposed extension is about 428.60 acres adjoining the area (1,232 acres) already notified under section 16 of the Act. Out of this extent 70 acres, as shown in the margin, represent the area of the grazing ground and firewood jungle recorded as such in the Settlement register.

3. This selection has been approved by the Conservator and sanctioned by the Board and Government (Board's Proceedings, Forest No. 382, dated 18th August 1896).

4. Extensions Nos. 1 and 2 of the Senkundram block having been rejected (*vide* Appendix No. II to the Conservator's letter in the Board's Proceedings quoted above) and draft notifications for the cancellation of their reservation having already been submitted to the Board, this extension has now been numbered as No. 1.

The required statement of area and condition and the certificate of perambulation, together with a sketch of the proposed extension, are enclosed.

I have the honour to submit, for approval and publication in the *Fort St. George Gazette*, a draft notification under section 4 of the Forest Act for the constitution as reserved forest of the proposed extension No. 1 of the Kavanur reserved forest block No. 31 in the Chingleput taluk.

The area of the proposed extension is 45 acres adjoining the area (570 acres) already notified under section 16 of the Act.

This selection has been approved by the Conservator and sanctioned by the Board and Government (Board's Proceedings, Forest No. 382, dated 18th August 1896).

No grazing-ground poramboke recorded as such in the settlement register is included in the extension.

Resolution—Forest No. 214, dated 1st June 1897.

Submitted to Government for approval and publication in the *Fort St. George Gazette*.

2. The selection of these blocks was approved by Government in its order, No. 283, Revenue, dated 23rd June 1896.

3. The areas of some of the blocks, *e.g.*, Senkundram Extension No. 3 and Sirukundram A extension 1 as given in Appendix I to the Conservator's letter, printed in the Government Order quoted above, differ from those now reported. The figures now furnished apparently represent the areas as correctly computed.

4. It is observed that the area of the proposed extension of the Anjur block is given as 239 acres in the area statement and as 200 acres in the map. The discrepancy requires explanation.

5 (a) From the village particulars furnished by the Collector, it would appear that the Kilakaranai village comprised within the Senkundram Extension No. 1 block has very little waste land left for the requirements of the villagers. The Collector is requested to see that the boundary is shifted at settlement so as to leave a sufficient margin for the village.

(b) It is also noted that the totals under "balance of waste" given in respect of some of the villages included within the proposed reserves are incorrect. Such errors should not recur in future statements.

6. The proposed Maiyur block, which is only 283.92 acres in extent, is reported to be an artificial plantation handed over to the Forest Department by the late Jungle Conservancy Department in 1883, and consists chiefly of casuarina trees.

7. As the patta lands referred to in paragraph 7 of the Collector's letter, No. 1258, dated 14th April 1897 read above, appear from the sketch-map to lie close to the reserve boundary, they may as well be thrown out at settlement if they cannot be conveniently acquired by means of a fresh grant of land outside the reserve.

two printed), and eight maps to be returned.
" Collector of Chingleput.
" Conservator of Forests, Central Circle.

Order—Mis. No. 3382, Revenue, dated 5th July 1897.

Before the draft notification is ordered to be published, the Board of Revenue is requested to report whether the block Extension No. 1 to the Sirukundram reserved forest No. 52-A, is a new selection not included within the Conservator's proposals disposed of in G.O., No. 283, dated 23rd June 1896, or whether it is the same as Extension No. 1 to the Sirukundram B. No. 52-B, included in Appendix I printed in the Government Order referred to above. The fact that the block in question adjoins the Sirukundram A reserved forest, and that its area is reported to be 224 acres, seems to countenance the first supposition.

2. It is presumed that the Conservator's proposal to abandon the Kavanur Extensions Nos. 1 and 2 having been approved, Extension No. 3 is now numbered as Extension No. 1.

With reference to Board's Proceedings, Forest Mis. No. 718, dated 19th July 1897, I have the honour to state that the proposed Sirukundram A Extension No. 1 is not a new selection nor the same as Sirukundram B Extension No. 1. It is a portion of Anjur Extension No. 1 which was divided into two blocks in 1896. It now contains a number of patta lands included in it. The eastern portion has been included in Sirukundram A Extension No. 1 and the western portion, together with the portion of Anjur Extension No. 4 (referred to in Appendix No. 1 printed in Board's Proceedings, No. 382, dated 16th August 1896), Anjur Extension No. 1.
