NOTE FOR THE UNDER SECRETARY.

Cno 2676/97.

This Current relates to the publication of a notification describing the boundaries of the Vellamundi reserved forest (Coimbatore Dt) as they would stand after a portion of the reserve has been disafforested. The Current in which the Board explains the Circumstances in which it is considered necessary to disafforest a portion of the reserve (B.P 173 mis 822.2.97) is now under disposal; moreover the amended boundary description now forwarded by the Board cannot be published until after the issue of the disafforestation notification. It is therefore submitted that the Cno 2676/97 may be ordered to lie over until the publication of the disafforestation notification.

Dtd. 9-10-97

In its Proc under No. misc no 2109 dy 21th April 1897 the Board brought to the notice of Govt that the selection of the Vellanmedi block having been made in the earlier years of Forest reservation, its boundaries were faulty from a forest point of view and required rectification and that prior to the issue of a notn giving a revised description of its boundaries, it was desirable to formally disafforest the portions which had to be excluded in order to make the block compact. A notn under Sec 24 of the Forest Act which the Board submitted at the time was accordingly forwarded for the approval of the Govt of India and a revised description of the boundaries subsequently submitted by the Board was allowed to lie over pending the receipt of India's Sanction to the notn above referred to. This Sanction has since been received and the notn published the disafforestation taking effect from 15th July last. The revised description of the boundaries may it is submitted be therefore issued now. It may be mentioned here that such a notn as the present one does not appear to be of any legal value and is required only for general information
