BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 26TH JAN. 1897, No. 77.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—returns showing establishments entertained in the Deccan districts, &c., for the period ending the 2nd January 1897.

RESOLUTION—dated 26th January 1897, No. 77.

The annexed statements showing particulars of the numbers employed on relief works and those fed at kitchens on the 2nd January 1897, will be submitted for the information of Government, together with the original statements in Form H, Appendix II of the Famine Code, submitted by the Collectors. The monthly statements received from the Collectors for November 1896—the first month in which relief works were started—were incomplete and contained many discrepancies, and the Board is not yet in possession of correct figures for that month.

2. In the statements herewith submitted, the outlay on works shown under the agency of the Public Works Department was partly incurred prior to the transfer of the works to the Public Works Department, but the exact amounts spent while the works were in charge of the Civil officers are not known and the Collectors have been called upon to report the same.

3. The numbers on relief works and relieved at kitchens entered in these statements differ from the figures shown in the table printed in paragraph 5 on page 3 of B.P., No. 27-A, dated 14th January 1897 as noted below, probably because the actual numbers for 2nd January 1897 are shown in these statements, while the figures already reported were for a prior date, which alone were then available:—

4. The figures in the statement of gratuitous relief for Cuddapah are those shown in the season report for the week ending 2nd January 1897, as the Collector has not reported correct figures in Form E₁ of Appendix II of the Famine Code.

5. The Collectors have been called upon to explain the variations noticed above and to see that their returns for future months are free from such variations as far as possible.
