GODAVARI DISTRICT, COLLECTOR'S OFFICE,

Cocanada, Dated 9. 9. 1897.
Des 18. 9. 97.

From

Va. Brodie Esq.,

Collector,

Godavari District.

To

The Secretary to Government
Revenue Department
Potaamund.

SIR,

With reference to the order of Government
(Revenue) of the 20th Ultimo No 713,
directing the deputation of a divisional
officer or at least Tahsildar to in-
vestigate how the rainfall has been
recently recorded at the various rain
recording stations in the District and
to ensure its being regularly and
correctly gauged hereafter, I have
the honor to say that I am, at this
moment, so short handed that I
cannot spare a Divisional officer
for the purpose, as all have as much
work as they can do on their
hands and the same is to be said
of the only Tahsildars I have
that

that are competent to be entrusted with the duty as they are Delta Dahildars! In these circumstances, I request permission to employ my present acting Sheristadar, who is a competent and reliable man, as this duty, when relieved, as he will now be in a few days.

He is a Dahildar in the Kistna District and can make a round of the several rain recording stations of the District and report upon the method of recording now in vogue etc, before rejoining and relieving the officer acting for him there without any inconvenience being caused to any one, or detriment to Govt work.

2. His name is Mr. Dyk. Seshachalapali Paulula gamu and his permanent appointment, that of Dahildar of Palnad at Rs 200 (and acting Dahildar of Bapatla at Rs 225) in the Kistna District, and what I desire is an order placing his services temporarily at my disposal for employment in reference to the G.O. quoted at the head of this letter. The duty will only occupy him for 3 or 4 weeks.

I have the honor to be
Sir
Your most obedient servant

FOR ORDERS.

In view of the great importance of the accuracy in the preparation of the rain returns at a time of distress, it was directed in G.O. No 713 d. 20th Aug 1897 that Collectors should make enquiries into what has been done in the past four or five months by sending a responsible officer such as a Divisional officer or a Tahsildar at least to investigate the matter and that they should see for the future that the officer in charge knows how to gauge rain and that he gauges it regularly. With reference to this order, the Collector of Godavari reports that, at this moment, he is so short-handed that he can neither spare a Divisional officer nor a Tahsildar for the purpose. He recommends that his present acting Sheristdar is competent and a

who is a Tahsildar in the ^{Naipia} district
and who is to be relieved of his acting
appointment in a few days may be
entrusted with the work for a period
of three or four weeks before he ^{leaves the district to} perform
his permanent appointment.

FOR ORDERS.

RD
28-9-97
If the Sd. Officer in this
Tahsil of this Tahsil are to
be understood that they can
not be to this inspection. I think
the Sd. Officer's proposal is based on
work necessity. I can hardly
believe that the Sd. Officer's
are so very busy as not to be able
to be to their ordinary work.

28/9/97

Draft 20

28-9-97

no ^{new} appointment is
required for this work
either in Godavari, or
any where else. There are
as a rule only two stations
in each tahsil.

28.9.97
Each Sd. Officer &
Tahsildar should arrange
for the inspection of the
stations in his division.
It is not necessary to
send the same man
on inspection duty all
round the district.

Read again 60 713 (abs).
20.8.97
... no: 8271 of '97 (abs).

Order No 832 of 30th Sept 1897

It is not necessary that
the same officer should inspect
all the stations in a district;
and as there are as a rule
only about two recording stations
in each tahsil, the inspections can
easily be done by the Divisional
Officer or the Tahsildar and there
seems to be no necessity for
placing an officer on special
duty for the purpose either in
Godavari or in any other district.

SEPTEMBER.

Rain Returns.

Declining to accept the proposal of the Collector of Gódvári to depute his Sheristadar for investigating how rainfall has been recorded in the district, and informing him that, as there are, as a rule, only about two recording stations in each taluk, the inspection can easily be done by the Divisional officer or the Tahsildar.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—again G.O., No. 713, Revenue, dated 20th August 1897.

ABSTRACT.—Calling the attention of Collectors to the necessity for seeing that the rain returns are accurately prepared, and directing them to impress on their subordinates the importance of the accuracy of such returns.

READ—also letter from V. A. BRODIE, Esq., Collector of Gódvári, dated 9th September 1897, Ref. on C. No. 3973-Ver.

ABSTRACT.—Requesting orders to depute his Acting Sheristadar, M.R. Ry. K. Seshachalapati Pantulu Garu, to investigate how the rainfall has been recently recorded in the district.

ORDER—No. 832, Revenue, dated 30th September 1897.

Miscellaneous.

It is not necessary that the same officer should inspect all the stations in a district; and, as there are, as a rule, only about two recording stations in each taluk, the inspection can easily be done by the Divisional officer or the Tahsildar, and there seems to be no necessity for placing an officer on special duty for the purpose either in Gódvári or any other district.
