repaired or replaced by office reference sheets ~~of the same~~ which are also available at the Survey office.

If it is considered necessary to maintain a complete set of District Maps in the Secretary's room, another frame will have to be made as the present one is so designed as to contain only twelve maps. Maps of the districts of Madras, Vizagapatnam, Salem, North Arcot, Cuddalore & Coimbatore have been newly published and may be obtained from the Survey office. No District Maps are

available for the remaining districts, viz. Godavari, Bangalore, Ganjam and Anantapur but office reference sheets can be had at the Survey office. Orders for selected sheets of a new frame is estimated to be

Yes. They are so old as to be useless now.
 12/4/97.

The present form can be adapted to hold a much larger number of maps. Hence, there is no need to have a new one by putting a second lining of rollers above the new existing one. Coming down between these on the lower side. The holes of the end of the rollers shall be much lighter and the name of the

map shall be kept on them.
