GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 3364, dated 8th September 1897 :—

Read—the following letter from J. TWIGG, Esq., Collector of Madura, to the Secretary to the Commissioners of Land Revenue, dated Kodaikānal, 31st August 1897, Ref. on C. No. 2378-Gl. :—

I have the honour to state that a piece of land measuring 3.63 acres and assessed at Rs. 3-10-0 in survey No. 136 in Muruganeri village, in Tirumangalam taluk, is enjoyed by one Kuppu Pandaram under Title-deed No. 765, the land having been assigned as manibam for the upkeep of a nandavanam or flower garden for the use of Gopalaswamicoil, on a plot of ground (75 cents) in survey No. 145. It having been reported to me that the nandavaram was utterly neglected by the inamdar and that the intended services were not rendered, I directed a notice to be issued to the manibamdar that, unless within six months he would revive the nandavanam and make it serve the purpose for which the grant was made to him, the inam would be resumed and fully assessed. The period of notice has expired and it is reported that the nandavanam still continues to be in the same neglected condition and that it is hopeless to expect the inamdar to improve it. The Deputy Collector, Madura division, recommends that the nandavanam site as well as the inam assigned for its upkeep may be resumed and fully assessed, and I support the recommendation.

2. The Taluk Board of Tirumangalam has consented to accept the proceeds of the inam and utilize it for the purpose of maintaining a water-pandal on the Tirupurankundram road (*vide* copy of the Taluk Board's resolution enclosed). I recommend that the assessment may be made over to the Taluk Board on these conditions.

Resolution—Mis. No. 3364, dated 8th September 1897.

Submitted for the sanction of Government.

2. The Board supports the Collector's recommendation as regards the resumption of the inam covered by Title-deed No. 765 and the transfer of the assessment to the Taluk Board.

3. With reference to the proposal to resume the nandavanam site, the Collector is requested to report whether the site has been classed in the accounts as inam or poramboke, and how it is proposed to deal with it after resumption.
