letter from the collector of Salem, register No. 4206, dated 11th August 1897, reporting the actual expenditure incurred on account of collections for the Imperial Institute during the year 1896-97, and first 4 months of the year 97-98 as well as the probable expenditure for the remainder of the year 97-98.

Read also letter from the collector of Chingleput, No. 1115, dated 17th August 1897, furnishing particulars regarding the actual expenditure incurred during 1896-97 and the first 4 months of the current year.

of No 6-4- letter from the collector of charges on acco. to 12 experiments at Thiruvananthapuram inadvertently reported as sent and charged to for amount

had nothing is required to be spent during the year 1897-98.

Resolution

The total expenditure incurred on account of "Collections for the Imperial Institute" during 1896-97 in the districts of Anantapur, Chingleput and Salem amounted, according to Collectors' reports to Rs 6-4-0, Rs 5-13-0, and Rs 4-5-0 respectively; whereas according to Accountant General's statement of charges no sums were expended in the above districts. The Accountant General is requested to explain the discrepancy.

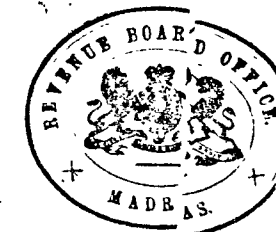

2. The Collector of Salem states that the expenditure of Rs 4-5-0 was met from Forest funds. The Accountant General is requested to report whether the charge was debited to "Forest".

Prior to 1896-97, the Board
of India and the Reporters on
Economic Products had special
requested that a provision
of Rs 500 might be made in
Provincial budgets for the pur-
chase of articles for the Im-
perial Institute. Last
year and this year no such
special requisition was made
by them. Some expenditure
has, however, already been
incurred during the current
year and is likely to be in-
curred next year on the above
account and though the pro-
posed amount

Amount proposed to be provided
may not be spent, the amount
involved is small and ^{the estimate} may it
is submitted be thereupon passed.
