OCTOBER.

Submitting to Government, for approval and publication in the Fort St. George Gazette, draft notification under section 4 of the Madras Forest Act for the proposed constitution of Carritt shola reserve addition, blocks Nos. I—V, in the Todanad division, Nilgiri district, as reserved forests.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—again the following Proceedings of the Board of Revenue (Land Revenue),
Forest Mis. No. 406, dated 6th May 1897:—

Read—the following letter from J. H. A. TREMENHEERE, Esq., Acting Collector
of Nilgiris, to the Secretary to the Commissioners of Land Revenue (through
the Conservator of Forests, Southern Circle), dated Ootacamund, 23rd April
1897, Ref. on Cur. No. 29-B:—

In paragraph 4 of its Proceedings, Forest Mis. No. 1055, dated 30th July 1896,
the Board directed that steps should be taken to have the lands handed over by Mr. C.
E. Martyn in exchange for the Bellevue reserve blocks, constituted a reserved forest.

2. These lands comprise settlement Nos. 183 A and B, 184, 185 and 187 of
Naduvattam village—*vide* enclosed sketch. Settlement Nos. 186 with 287 is to be
included in the reserve, but already belongs to Government. The lands so dovetail
into the existing Carritt shola reserve, to which they will become additions with a
view to straighten and simplify its boundaries *vide* Board's Proceedings, No. 25,
Land Revenue, of 20th January 1896, that a correct description of them for notifi-
cation will be a tedious and intricate matter.

3. In these circumstances, the District Forest-officer proposes to cancel the noti-
fication of the existing Carritt shola reserve and issue a revised notification under
section 4 for the whole area including the additions as shown in the sketch already
referred to above.

4. This will simplify matters considerably, and if the Board is pleased to approve,
I request that it will move Government to obtain the sanction of the Governor-General
in Council under section 24 of the Forest Act to the enclosed draft notification which
could be published simultaneously with the revised notification of the whole area
under section 4.

ENCLOSURE No. 1.—Draft notification, &c.

ENCLOSURE No. 2.—Sketch-map.

Resolution—Mis. No. 406, dated 6th May 1897.

The Board considers that it is unnecessary to cancel the existing notification of
the Carritt shola reserve in order that the lands handed over by Mr. Martyn may be
constituted a reserved forest and added to the above reserve. The difficulty pointed
out by the Collector in giving the boundaries of those portions of the additions, which
march with the existing reserve, may be avoided by describing the portions as
“the boundary of the existing Carritt shola reserve.” This course is likely to save
considerable delay, trouble and expense.

2. The necessary draft notifications under section 4 should, accordingly, be sub-
mitted at an early date for the proposed additions only.

tember 1897, Ref. on Cur. No. 29-B:—

With reference to Board's Proceedings, Forest Mis. No. 406, dated 6th May last,
I have the honour to submit herewith a draft notification under section 4 of the
Forest Act in respect of the five blocks which are to form additions to the existing
Carritt shola reserved forest.

2. Blocks I, II, III and V comprise lands handed over by Mr. C. E. Martyn
while block IV is made up of two fields which already belong to Government, as
already proposed and sanctioned.

3. The reasons for reservation are to straighten and simplify the boundaries of
the Carritt shola reserve into which these lands dovetail—*vide* Board's Proceedings,

RESOLUTION—Forest No. 434, dated 7th October 1897.

The proposed blocks, the reservation of which is now recommended by the Collector, are five in number, and form additions to the Carritt shola reserve already finally notified. Of these, blocks I to III and V consist of lands handed over by

Mr. C. E. Martyn in exchange for certain areas granted to him by Government (*vide* Government Order, Mis. These additions are proposed for notification under section 4 in view to straighten and simplify the boundary of the existing Carritt shola reserve.

2. The Collector at first proposed to cancel the notification of the existing main reserve and issue a revised consolidated notification under section 4 incorporating these additions. No. IV is made up of two fields (Nos. 186 and 287) which already belong to Government. These additions are proposed for notification under section 4 in view to straighten and simplify the boundary of the existing Carritt shola reserve.

2. The Collector at first proposed to cancel the notification of the existing main reserve and issue a revised consolidated notification under section 4 incorporating these additions. As this course was likely to involve considerable delay, trouble and expense, the Board requested the Collector to send up draft notifications to cover the additions in question. The necessary draft notifications now received will accordingly be submitted to Government for approval and publication in the *Fort St. George Gazette*.
