PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from G. W. DANCE, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 11th June 1896, Forest Cur. No. 1340:—

I have the honour to report the conclusion of the settlement of the proposed Kaduavanur reserved forest No. 202 in the Kallakurchi taluk of this district.

2. I enclose the Forest Settlement-officer's letter, No. 322, dated 6th August 1895, with its enclosures, viz. :—

- (1) B. Register of claims.
- (2) Draft notification.
- (3) Sketch-map.
- (4) Numerical statement.

3. Further, in accordance with orders, I append my District Forest-officer's statement of area and condition :—

4. The area of the block as notified under section 4 was 4,980 acres, but on account of the exclusions ordered at settlement, chiefly in view of meeting the eventual requirements of the ryots in the direction of extension of cultivation, nearly 1,063 acres have been thrown out and about 4 acres have been treated as enclosures within the block free from reservation. The area of the block as it stands now is therefore 3,913 acres, which is the area entered in the sketch and the statement given above. The strip of land belonging to the Agarapandalam village, lying in the north-west of the block, consists of hilly ground, and as such it is not likely to be utilized for cultivation purposes. It is therefore proposed to be retained. The right of way No. 7, which runs close to the western boundary of this strip, will however be diverted, if practicable, when the final and substantial demarcation of the blocks is taken in hand.

5. Owing to certain discrepancies which occurred in the B. register and draft boundary description the papers were returned to the Forest Settlement-officer and received back on the 23th March 1896, after which they were taken in hand and disposed of.

From W. C. McMURRAY, Esq., Forest Settlement-officer, South Arcot, &c., Districts, to the Collector of South Arcot, dated Satghur, 6th August 1895, No. 322.

ENCLOSURE No. 1.

I have the honour to report the conclusion of the settlement of the proposed Kaduvannur reserved forest block No. 202 in the Kallakurchi taluk of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 27th February 1894, and the proclamation under section 6 was published in the District Gazette Supplement, dated 16th April 1894.

3. The block was perambulated, inspected and enquired into by me in March and April 1895. Thirty-eight claims in all were filed for the following rights:—

- Nine claims were to right of way over eight cart-tracks and a foot-path.
- Four claims were to right to two shrines, right to vacant space around one of them and to right to use the water of a kuttai.
- Twenty-three claims (nine relating to same right) were to Government patta and inam rights over 74.59 acres of land and sivoijama rights over 88.71 acres of land.
- Two claims were to miscellaneous rights.

4. The claims involved in items (i), (ii) and seventeen claims in item (iii) were admitted and the rest were rejected. The last-rejected claim was disposed of on 12th June 1895, and the appeal time expired on the 12th ultimo without any appeal being filed.

5. The block is thus free of all rights except those admitted above.

6. The following are sent herewith:—

- B. Register of claims.
- Draft notification under section 16.
- Numerical statement of claims filed and disposed of.
- Sketch of the block.

7. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

8. The District Forest-officer excluded certain portions of the reserve as indicated in the sketch.

P.S.—It having since been ascertained that the extent of survey Nos. 8 and 1-B in claims Nos. 1 and 18 included within the reserve is 9 cents and 1.81 acres and not 10 cents and 1.14 acres, respectively, the extent of Government patta and inam lands in item (iii) of paragraph 3 *supra* will be now 75.25 acres.

2. Paragraph 4 *supra* will now be as follows:—

The claims involved in items (i), (ii) and sixteen claims in item (iii) were fully admitted, one claim in item (iii) was partly admitted and partly rejected and the rest were fully rejected.

BALAYAPALLE,
22nd November 1895.

(Signed) W. C. McMURRAY,
Forest Sett.-officer.

P.S.—After the submission of the above, the papers were returned stating that the District Forest-officer wishes to exclude other portions as shown in the sketch.

The cart-tracks will be open for men, cattle and carts, each to a width of 4 yards and the foot-path for men and cattle to a width of 4 feet. Claim 6.—The claim not being covered by patta it is invalid and is accordingly rejected. It is however noted that the tank will be excluded from the reserve by altering its limits. (Signed) W. C. McMURRAY, 10th June 1895. Forest Sett.-officer.
1 to 6 11 to VII.						As the acquisition of survey Nos. 2, 3, 4 and 7 by exchange could not be effected and the District Forest-officer in his Cur. No. 1213 of 1895, dated 31st July 1895, having expressed that he wishes them to be excluded from the reserve, the same will accordingly be done by altering its limits. (Signed) W. C. McMURRAY, 6th August 1895. Forest Sett.-officer.

* This as well as the land in survey No. 1-B in claim No. 18 XVI were acquired under the Land Acquisition Act. RESOLUTION—Forest No. 14, dated 8th January 1897.

The settlement records of the Kaduvanur block received with the letter read above will be submitted to Government with the request that the draft final notification may be approved and ordered to be published in the *Fort St. George Gazette*, the reservation to take effect from the 30th April next.

2. (i) *Claim No. 12-XIII.*—The total extent of lands claimed amounts to 43.71 and not to 44.71 acres as given in the B. register. Similarly the total assessment of lands in claims No. 8-IX and 15 has not been correctly given by the Forest Settlement-officer. The Board has made the necessary correction in the register and the numerical statement.

(ii) It is observed that some of the lands, the claims to which were expressly rejected at settlement, lie outside the reserve by revision of boundary carried out at the instance of the District Forest-officer. In these cases a note should have been appended to the decision to the above effect so as to make the claim register complete in itself.

3. The cart-track from Agraharapandalam to Mukkanur should be diverted along the boundary line as proposed by the Collector in paragraph 4 of his covering letter.

4. The block lies in the Kallakurchi taluk and comprises an area of 3,913 acres as finally settled.

BOARD OF REVENUE (LAND REVENUE), FOREST No. 14, 8TH JANUARY 1897. 13

5. It is noted that large exclusions have been made in the reserve to provide for extension of cultivation by the adjoining villagers.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 14, dated 8th January 1897 :—

Read—the following letter from G. W. DANCE, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 11th June 1896, Forest Cur. No. 1340 :—

I have the honour to report the conclusion of the settlement of the proposed Kaduvanur reserved forest No. 202 in the Kallakurchi taluk of this district.

2. I enclose the Forest Settlement-officer's letter, No. 322, dated 6th August 1895, with its enclosures, viz. :—

- (1) B. Register of claims.
- (2) Draft notification.
- (3) Sketch-map.
- (4) Numerical statement.

3. Further, in accordance with orders, I append my District Forest-officer's statement of area and condition :—

STATEMENT of area and condition.

4. The area of the block as notified under section 4 was 4,980 acres, but on account of the exclusions ordered at settlement, chiefly in view of meeting the eventual requirements of the ryots in the direction of extension of cultivation, nearly 1,063 acres have been thrown out and about 4 acres have been treated as enclosures within the block free from reservation. The area of the block as it stands now is therefore 3,913 acres, which is the area entered in the sketch and the statement given above. The strip of land belonging to the Agarapandalam village, lying in the north-west of the block, consists of hilly ground, and as such it is not likely to be utilized for cultivation purposes. It is therefore proposed to be retained. The right of way No. 7, which runs close to the western boundary of this strip, will however be diverted, if practicable, when the final and substantial demarcation of the blocks is taken in hand.

5. Owing to certain discrepancies which occurred in the B. register and draft boundary description the papers were returned to the Forest Settlement-officer and received back on the 28th March 1896, after which they were taken in hand and disposed of.

ENCLOSURE No. 1.

From W. C. McMURRAY, Esq., Forest Settlement-officer, South Arcot, &c., Districts, to the Collector of South Arcot, dated Satghur, 6th August 1895, No. 322.

I have the honour to report the conclusion of the settlement of the proposed Kaduvannur reserved forest block No. 202 in the Kallakurchi taluk of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 27th February 1894, and the proclamation under section 6 was published in the District Gazette Supplement, dated 16th April 1894.

3. The block was perambulated, inspected and enquired into by me in March and April 1895. Thirty-eight claims in all were filed for the following rights:—

- (i) Nine claims were to right of way over eight cart-tracks and a foot-path.
- (ii) Four claims were to right to two shrines, right to vacant space around one of them and to right to use the water of a kuttai.
- (iii) Twenty-three claims (nine relating to same right) were to Government patta and inam rights over 74.59 acres of land and sivoijama rights over 88.71 acres of land.
- (iv) Two claims were to miscellaneous rights.

4. The claims involved in items (i), (ii) and seventeen claims in item (iii) were admitted and the rest were rejected. The last-rejected claim was disposed of on 12th June 1895, and the appeal time expired on the 12th ultimo without any appeal being filed.

5. The block is thus free of all rights except those admitted above.

6. The following are sent herewith:—

- (a) B. Register of claims.
- (b) Draft notification under section 16.
- (c) Numerical statement of claims filed and disposed of.
- (d) Sketch of the block.

7. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

8. The District Forest-officer excluded certain portions of the reserve as indicated in the sketch.

P.S.—It having since been ascertained that the extent of survey Nos. 8 and 1-B in claims Nos. 1 and 18 included within the reserve is 9 cents and 1.81 acres and not 10 cents and 1.14 acres, respectively, the extent of Government patta and inam lands in item (iii) of paragraph 3 *supra* will be now 75.25 acres.

2. Paragraph 4 *supra* will now be as follows:—

The claims involved in items (i), (ii) and sixteen claims in item (iii) were fully admitted, one claim in item (iii) was partly admitted and partly rejected and the rest were fully rejected.

BALAYAPALLE,
22nd November 1895.

(Signed) W. C. McMURRAY,
Forest Sett.-officer.

P.S.—After the submission of the above, the papers were returned stating that the District Forest-officer wishes to exclude other portions as shown in the sketch.

Resolution—Forest No. 14, dated 8th January 1897.

The settlement records of the Kadu vanur block received with the letter read above will be submitted to Government with the request that the draft final notification may be approved and ordered to be published in the *Fort St. George Gazette*, the reservation to take effect from the 30th April next.

2. (i) *Claim No. 12-XIII.*—The total extent of lands claimed amounts to 43.71 and not to 44.71 acres as given in the B. register. Similarly the total assessment of lands in claims No. 8-IX and 15 has not been correctly given by the Forest Settlement-officer. The Board has made the necessary correction in the register and the numerical statement.

(ii) It is observed that some of the lands, the claims to which were expressly rejected at settlement, lie outside the reserve by revision of boundary carried out at the instance of the District Forest-officer. In these cases a note should have been appended to the decision to the above effect so as to make the claim register complete in itself.

3. The cart-track from Agraharapandalam to Mukkanur should be diverted along the boundary line as proposed by the Collector in paragraph 4 of his covering letter.

4. The block lies in the Kallakurchi taluk and comprises an area of 3,913 acres as finally settled.

5. It is noted that large exclusions have been made in the reserve to provide for extension of cultivation by the adjoining villagers.
