SIR,

The Government of India think that it will be convenient to lay down for general information the procedure to be followed in notifying the postings, appointments, leave, reversions, etc., of officers of the Civil Veterinary Department. I am therefore directed to state for the information of the Governor in Council that they have decided to continue the following procedure which has hitherto been acted on for the most part.

(*b*) The confirmation of officers appointed on probation to the Department.

(*c*) Appointments to offices under direct Imperial control.

(*d*) Reversions to the Army Veterinary Department.

(*e*) Transfers from one province to another or from an Imperial appointment to be placed at the disposal of a Provincial Government and *vice versâ*.

(*f*) Leave.

The Local Government will notify :—

(*i*) The particular appointment to be filled by the officer posted to the Province by notifications (*a*) or (*e*) above, and

(*ii*) transfers from one provincial appointment to another within the province.

3. A copy of every notification issued by the Local Government should be furnished to the Inspector General, Civil Veterinary Department, and to the Comptroller, India Treasuries, who are responsible for keeping the cadre within the sanctioned scale. Copies should also be forwarded to the Government of India in the Department of Revenue and Agriculture, and the Provincial Audit Officer.

A copy of Government of India notifications will similarly be furnished to the Local Government, the Inspector General, Civil Veterinary Department, the Comptroller, India Treasuries, and the Provincial Audit Officer.

4. The dates on which Civil Veterinary Officers assume or relinquish charge of their duties or leave India on furlough are, under financial rules, reported direct to the Accounts Officer concerned. 5. I am to request that the Inspector General, Civil Veterinary Department, may continue to be consulted before transfers of Civil Veterinary Officers within the province are made, and that he may receive early intimation when such transfers have actually taken place, in order that he may be kept informed of the movements of officers of the Department.
