EXPLANATORY REMARKS.

(A) *Member's salary* (*Revised Estimate*).—Increase due to inclusion of ½ of the salary of the Famine Commissioner for 6 months.

(B) *Pay of 1st Assistant* (*Revised Estimate*).—Increase due to grant of leave on Medical Certificate for 6 months.

(C) *Pay of Temporary Establishment* (*Revised Estimate*).—Decrease due to unfilled vacancies.

(D) *Additional Temporary Establishment* (*Revised and Budget Estimates*).—A provision of Rs. 3,000 was made in the budget for 1897-98 for additional temporary establishment in connection with the diglott registers of Tanjore, Trichinopoly and Anantapur. As it was subsequently decided to defer the printing of the Tanjore settlement registers pending decision of question regarding sub division of joint holdings, the additional establishment has not yet been entertained. It has now, however, been resolved to check and print the registers without waiting for sub-division, and it is proposed to entertain the establishment from November and to continue it throughout the next year.

(H) *Purchase, Repair and Carriage of Tents* (*Budget Estimate*).—Decrease of *budget* as compared with the *Revised* Estimate is due to the fact that the Revised Estimate includes two unusual items (1) Cost of new tents purchased during the current year and (2) Carriage of tents for Famine Commissioner.

(I) *Purchase of periodicals*.—Actuals of 1896-97 were Rs. 23. Actuals of the first six months of current year Rs. 14.

EXPLANATORY REMARKS.

(O) *Deputy Commissioner, 1st Grade (Revised Estimate).*—The decrease is due to pay and acting allowance drawn by M.R.Ry. Adinarayana Iyah Garu till the return of Mr. Clerk from furlough being less than the fixed pay of the post, and to one of the posts being vacant consequent on the death of Mr. Clerk on the 26th August.

(P) *Deputy Commissioner, 2nd Grade (Revised Estimate).*—The decrease is due to the post of the Deputy Commissioner, No. V Party (2nd grade), having remained vacant till 30th June 1897, that is, when M.R.Ry. Adinarayana Iyah Garu acted as 1st-grade Deputy Commissioner during the absence of Mr. Clerk on furlough.

(Q) *Special Settlement Officer (Revised and Budget Estimates).*—No officer has been appointed for No. VI Party, since Mr. Parsons' transfer on famine duty. It is unlikely that one will be appointed before the end of December next. In the revised estimate for the current year and the budget estimate for 1898-99, provision at the rate at which Mr. Parsons drew pay last year has been made.

(R) *Assistant Commissioner (Revised Estimate).*—Increase due to charge allowance payable to M.R.Ry. Narasimhalu Naidu Garu.

(S) *Exchange Compensation Allowance (Revised Estimate).*—Decrease due to (1) the European Deputy Commissioner, the late Mr. Clerk having drawn the allowance only for a short time, and (2) the appointment of Special Settlement Officer being left vacant. In the budget for 1898-99, provision has been made for the allowance payable to the latter officer.

(T) *Pay of Assistant on Rs. 250 (Revised Estimate).*—Decrease chiefly due to the post of Uncovenanted Assistant of No. VI Party being kept vacant.

(U) *Supervisors, Clerks, Classifiers and Servants (Revised).*—Decrease due to acting arrangements, unfilled vacancies and fines.

(W) *Personal Allowance.*—Personal allowance of Mr. Damodaram Nair, Supervisor of Revenue Settlement, No. VI Party. This was sanctioned in G.O., No. 2751, Revenue, dated 13th July 1896, but was omitted in the budget estimates of 1897-98.

(V) *Clerks and Classifiers (Budget Estimate).*—Decrease of Rs. 24 in the budget estimate of 1898-99 as compared with the sanctioned grant for the current year is due to the fact that the pay of two posts on Rs 15 per mensem in VI Party has been reduced to Rs. 14 per mensem under G.O., No. 22, Financial, dated 6th January 1897.

* Average of two years.

(X) *Temporary Establishment (Revised Estimate).*—Increase in revised estimate occurs chiefly in No. I Party. In the sanctioned estimate a provision of only Rs. 4,000 was made for this Party on the supposition that the settlement of the Anantapur district would be completed by the end of June 1897; but the introduction of settlement is expected to occupy the time of the party till about the close of the current official year. Provision has also been made for temporary establishments required for the revision of Malabar-Wynaad settlement registers.

(Y) *Tentage of Special Settlement Officer—Travelling Allowance of Officers (Revised Estimate).*—Reduced with reference to the actuals of the first five months and to the appointment of Special Settlement Officer being vacant.

(Z) *Travelling Allowance of Officers (Budget Estimate).*—Based on the actuals of 1896-97.

(A1) *Travelling Allowance of Establishment (Revised Estimate).*—Reduced with reference to the actuals of the first five months. A large portion of the establishment of Party No. VI is employed in the Board's office on famine duty.

(A2) Provided with reference to G Os, No. 603, Revenue, dated 21st July 1897, and No. 804, Revenue, 22nd September 1897.

(B1) *Repairs to Furniture (Revised and Budget Estimates).*—Reduced with reference to actuals of first four months, and the estimates of the Deputy Commissioners.

(C1) *Peons' Belts and Badges (Revised and Budget Estimates.*—Increase in the revised estimate due to expenditure found necessary in Party No. I. The budget estimate is based on the actuals of 1896-97 and 1895-96 and the revised estimate for 1897-98.

(D1) *Rents, Rates and Taxes.*—Decrease mainly due to reduction of grant for No. V Party with reference to actuals of first four months.

(E1) *Repairs of Staff Boat of Deputy Commissioner, No. III Party.*—The boat was constructed under G.O., No. 4772, Revenue, dated 26th November 1895.

(*l*) *Pay of Agricultural Inspectors (revised estimate.)*—Decrease due to unfilled vacancies and to the employment of three Inspectors on famine duty as Circle Inspectors.

(*m*) *Travelling Allowance and Contingencies (revised estimate).*—Decrease due to latter cause specified in remark (*l*).

General Remarks.—An increased expenditure of Rs. 6,000 on contingencies and supplies and services in the Board's office on account of famine was sanctioned in G.O., No. 4130, dated 9th August 1897. It will be seen that, according to the revised estimate for 1897-98 now submitted, the excess comes to about Rs. 5,400.

Certified that the actuals as entered above are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been duly pointed out to him. There is a difference of Rs. 2,372 between the actuals of 1896-97 under "Revenue Settlement" as entered in the budget and as reported in the Settlement Administration Report submitted with Board's Proceedings, No. 545, dated 3rd August 1897. This is due to the exclusion from this budget of a sum of Rs. 2,722 being the charges for printing settlement registers, which amount has been shown in a separate budget for "30. Stationery and Printing—Printing at Private Presses —Printing settlement registers" and to the inclusion in the budget of a sum of Rs. 350 reported in the Accountant-General's final statement of charges for March 1897 received subsequent to the despatch of the Administration Report.

further retention in the service of the Agricultural Inspectors remains still undecided but in ~~any case~~ as will be seen from the correspondence ending with G.O. mine no 3212 Rev: dy 25th June 1897 it is in any case not the intention of Govt to allow for the present the existing vacancies in their grade to be filled up. In the proposed estimates for the ensuing year under District Analysis Establishment therefor Rs 1800 will be entered as "Probable Savings" and a deduction of Rs 100 made in the amount of the Travelling allowance provided by the Board. The following further reductions will also be made under the same head with reference to the actuals of the past two years and the proposed revised estimate for the current year

No 6

In the case of the items other than those referred to in para 1 of the draft above, the variations have been satisfactorily explained by the Board. The only reason for the Board's proposal to fix the ~~contingencies~~ Contingent charges referred to in the same para at the amounts therein specified seems to be that they were so fixed last year.

The Statements will be corrected if the reductions now proposed are approved.

1.12.97

Several items which apparently should be debited to 38 Famine Relief have

debits to Settlement & Land Records & the revised estimates have been framed accordingly. The items are indicated in blue pencil. Apparently this is due to the ruling of the Accountant in G.O. 470 & 12 June 97 Financial Vide flag T. The question as to the correctness of this ~~interpretation~~ ruling has been twice raised in connection with the debits of the cost of the Tam Asst of this office. There seems no use however awaiting the decision of this point. The items may be rearranged before the Civil Budget Estimates are prepared.

No provision has been made for a Dy Director of Land Records for the whole question of the Organisation of the Land Records Department is still sub judice.

1.11.97

Yes
JG

Right. A large sum will be required for a Land Records Dept such as Indian wants is created, & we should have to get the money specially.

JG

I thought it was decided the other day that the late Mrs Clerk's place would not be filled up. What does the Bd propose for 2 Dy Comrs on Rs 1100 as previously? Is this necessary?

11/11/97

Sec

With reference to the above note:-

Kean see G.O. No 5382 & 21.10.97 put up immediately below. The Bd proposal was to keep the clerks place vacant for the present as there is not enough Settlement work doing to employ 2 Dy Comrs. Apparently the Bd considers there will enough work next year. Whether there will or not depends upon the time it will take for Govt to pass orders on the Godavari & Kistna Resettlements.

12.11.97

Very well. The provision may be made in the view of the Revenue Dept.

Financial Dept.

Revenue Dept Cbe 8897

Note

The only addition that the Financial has to propose to the draft order in the Rev. dept. is that the provisions for "Clock-winding" under Contingencies on pages 4 & 8 of the Board's proceedings should be eliminated. In ~~the~~ an order which has recently issued in Financial as regards the Medical Dept and in a case in the Judicial Dept in connection with the High Court, it has been pointed out that, as in the Chief Secretariat, the winding of clocks should easily be performed by a member of the establishment. ~~The Board's proposition to provide for the winding of clocks in the Board's office is therefore objected to.~~

My dear Winterbotham

The Govt in passing order on the Settlement Dept Budget estimate had allowed the provision made in the Budget estimate for 95-96 for 2 Dys Commrs of Rev Sett on Rs 1100 to stand. But I am directed to inform you that, in view of the shortness of funds, the vacancy due to Clerk's death until it is really necessary to do so.

(3) The question of the further retention in the service of the Agricultural Inspectors remains still undecided; but, as will be seen from the correspondence ending with G.O., Mis. Explanatory Remarks.

(A) *Member's salary (Revised Estimate).*—Increase due to inclusion of ¼ of the salary of the Famine Commissioner for 6 months.

(B) *Pay of 1st Assistant (Revised Estimate).*—Increase due to grant of leave on Medical Certificate for 6 months.

(C) *Pay of Temporary Establishment (Revised Estimate).*—Decrease due to unfilled vacancies.

(D) *Additional Temporary Establishment (Revised and Budget Estimates).*—A provision of Rs. 3,000 was made in the Budget for 1897-98 for additional temporary establishment in connection with the diglott registers of Tanjore, Trichinopoly and Anantapur. As it was subsequently decided to defer the printing of the Tanjore settlement registers pending decision of question regarding sub division of joint holdings, the additional establishment has not yet been entertained. It has now, however, been resolved to check and print the registers without waiting for sub-division, and it is proposed to entertain the establishment from November and to continue it throughout the next year.

Explanatory Remarks.

(O) *Deputy Commissioner, 1st Grade (Revised Estimate).*—The decrease is due to pay and acting allowance drawn by M.R.Ry. Adinarayana Iyah Garu till the return of Mr. Clerk from furlough being less than the fixed pay of the post, and to one of the posts being vacant consequent on the death of Mr. Clerk on the 26th August.

(P) *Deputy Commissioner, 2nd Grade (Revised Estimate).*—The decrease is due to the post of the Deputy Commissioner, No. V Party (2nd grade), having remained vacant till 30th June 1897, that is, when M.R.Ry. Adinarayana Iyah Garu acted as 1st-grade Deputy Commissioner during the absence of Mr. Clerk on furlough.

(Q) *Special Settlement Officer (Revised and Budget Estimates).*—No officer has been appointed for No. VI Party, since Mr. Parsons' transfer on famine duty. It is unlikely that one will be appointed before the end of December next. In the revised estimate for the current year and the budget estimate for 1898-99, provision at the rate at which Mr. Parsons drew pay last year has been made.

(R) *Assistant Commissioner (Revised Estimate).*—Increase due to charge allowance payable to M.R.Ry. Narasimhalu Naidu Garu.

(S) *Exchange Compensation Allowance (Revised Estimate).*—Decrease due to (1) the European Deputy Commissioner, the late Mr. Clerk having drawn the allowance only for a short time, and (2) the appointment of Special Settlement Officer being left vacant. In the budget for 1898-99, provision has been made for the allowance payable to the latter officer.

(T) *Pay of Assistant on Rs. 250 (Revised Estimate).*—Decrease chiefly due to the post of Uncovenanted Assistant of No. VI Party being kept vacant.

(U) *Supervisors, Clerks, Classifiers and Servants (Revised).*—Decrease due to acting arrangements, unfilled vacancies and fines.

(W) *Personal Allowance.*—Personal allowance of Mr. Damodaram Nair, Supervisor of Revenue Settlement, No. VI Party. This was sanctioned in G.O., No. 2751, Revenue, dated 13th July 1896, but was omitted in the budget estimates of 1897-98.

(V) *Clerks and Classifiers (Budget Estimate).*—Decrease of Rs. 24 in the budget estimate of 1898-99 as compared with the sanctioned grant for the current year is due to the fact that the pay of two posts on Rs. 15 per mensem in VI Party has been reduced to Rs. 14 per mensem under G.O., No. 22, Financial, dated 6th January 1897.

* Average of two years.

(X) *Temporary Establishment (Revised Estimate).*—Increase in revised estimate occurs chiefly in No. I Party. In the sanctioned estimate a provision of only Rs 4,000 was made for this Party on the supposition that the settlement of the Anantapur district would be completed by the end of June 1897; but the introduction of settlement is expected to occupy the time of the party till about the close of the current official year. Provision has also been made for temporary establishments required for the revision of Malabar-Wynaad settlement registers.

(Y) *Tentage of Special Settlement Officer—Travelling Allowance of Officers (Revised Estimate).*—Reduced with reference to the actuals of the first five months and to the appointment of Special Settlement Officer being vacant.

(Z) *Travelling Allowance of Officers (Budget Estimate)*—Based on the actuals of 1896-97.

(A1) *Travelling Allowance of Establishment (Revised Estimate).*—Reduced with reference to the actuals of the first five months. A large portion of the establishment of Party No. VI is employed in the Board's office on famine duty.

(A2) Provided with reference to G.Os., No. 603, Revenue, dated 21st July 1897, and No. 804, Revenue, 22nd September 1897.

(B1) *Repairs to Furniture (Revised and Budget Estimates).*—Reduced with reference to actuals of first four months, and the estimates of the Deputy Commissioners.

(C1) *Peons' Belts and Badges (Revised and Budget Estimates.*—Increase in the revised estimate due to expenditure found necessary in Party No. I. The budget estimate is based on the actuals of 1896-97 and 1895-96 and the revised estimate for 1897-98.

(D1) *Rents, Rates and Taxes.*—Decrease mainly due to reduction of grant for No. V Party with reference to actuals of first four months.

(E1) *Repairs of Staff Boat of Deputy Commissioner, No. III Party.*—The boat was constructed under G.O., No. 4772, Revenue, dated 26th November 1895.

General Remarks.—An increased expenditure of Rs. 6,000 on contingencies and supplies and services in the Board's office on account of famine was sanctioned in G.O., No. 4130, dated 9th August 1897. It will be seen that, according to the revised estimate for 1897-98 now submitted, the excess comes to about Rs. 5,400.

Certified that the actuals as entered above are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been duly pointed out to him. There is a difference of Rs. 2,372 between the actuals of 1896-97 under "Revenue Settlement" as entered in the budget and as reported in the Settlement Administration Report submitted with Board's Proceedings, No. 545, dated 3rd August 1897. This is due to the exclusion from this budget of a sum of Rs. 2,722 being the charges for printing settlement registers, which amount has been shown in a separate budget for "30. Stationery and Printing—Printing at Private Presses —Printing settlement registers" and to the inclusion in the budget of a sum of Rs. 350 reported in the Accountant-General's final statement of charges for March 1897 received subsequent to the despatch of the Administration Report.

Read—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 653, dated 5th October 1897 :—

Budget estimate of the Settlement, Land Records and Agriculture Department for 1898-99.

Resolution—No. 653, dated 5th October 1897.

Submitted to Government.

(Signed) R. V. SRINIVASIAR,

To the Secretary to Government, Revenue Department.
„ Officers in charge of Settlement Parties.
„ the Deputy Director of Land Records.
„ the Accountant-General.

Order—No. 961, Revenue, dated 16th November 1897.

Miscellaneous.

The estimates under 3. Land Revenue proposed by the Board in its Proceedings read above are approved and will be transferred to the Financial Department subject to the following remarks and modifications :—

(1) The item under 3-C. Land Revenue—Survey and Settlement, Contingencies—Clockwinding, will be struck out. Clockwinding should be done by a member of the ordinary establishment. The similar provision under 3-D. Land Revenue—Land Records and Agriculture—Establishment for preparing Revenue and Agricultural Statistics will also be struck out.

(2) Under 3-D. Land Revenue—Agricultural Services, the deductions shown in the subjoined statement will be made in the budget estimate for the ensuing year with reference to the actuals of the past two years and the proposed revised estimates for the current year :—

Sub-heads.	Actuals of 1895-96.	Actuals of 1896-97.	Proposed revised estimate for 1897-98.	Proposed budget estimate for 1898-99.	Amount of deductions to be made.	Balance passed.

Total ..	301	143	110	560	* 280	280

* Rs. 20 added to round off the totals will also be deducted.

(3) The question of the further retention in the service of the Agricultural Inspectors remains still undecided; but, as will be seen from the correspondence ending with G.O., Mis. No. 3212, Revenue, dated 25th June 1897, it is in any case not the intention of Government to allow for the present the existing vacancies in their grade to be filled up. In the proposed estimates for the ensuing year, under District Analysis establishment, therefore, Rs. 1,800 will be entered as "Probable savings" and a deduction of Rs. 100 made in the amount of the travelling allowance provided by the Board. The following further reductions will also be made under the same head with reference to the actuals of the past two years and the proposed revised estimate for the current year :—

Sub-heads.	Actuals of 1895-96.	Actuals of 1896-97.	Proposed revised estimates for 1897-98.	Proposed budget estimates for 1898-99.	Amount of deductions to be made.	Balance passed.

Explanatory Remarks.

(A) *Member's salary (Revised Estimate).*—Increase due to inclusion of ½ of the salary of the Famine Commissioner for 6 months.

(B) *Pay of 1st Assistant (Revised Estimate).*—Increase due to grant of leave on Medical Certificate for 6 months.

(C) *Pay of Temporary Establishment (Revised Estimate).*—Decrease due to unfilled vacancies.

(D) *Additional Temporary Establishment (Revised and Budget Estimates).*—A provision of Rs. 3,000 was made in the Budget for 1897-98 for additional temporary establishment in connection with the diglott registers of Tanjore, Trichinopoly and Anantapur. As it was subsequently decided to defer the printing of the Tanjore settlement registers pending decision of question regarding sub-division of joint holdings, the additional establishment has not yet been entertained. It has now, however, been resolved to check and print the registers without waiting for sub-division, and it is proposed to entertain the establishment from November and to continue it throughout the next year.
