OCTOBER.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Takkelapadu block in the Sattenapalle taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., districts, to the Collector of Kistna (through the District Forest-officer, Kistna), dated Camp, Nellore, 25th March 1897, Ref. No. 41 :—

I have the honour to report the conclusion of the settlement of the proposed Takkellapadu reserve in the Sattenapalle taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 13th November 1894, and the proclamation under section 6 of the Act was published in the District Gazette of 2nd March 1895. The time allowed for the presentation of claims expired on the 2nd June 1895.

3. Mr. J. T. Lever was originally appointed to settle this block and afterwards Mr. R. H. L. Lushington. In notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The block was inspected, perambulated and enquired into by me in February 1896, partly in October 1896 and nine claims were preferred for the following rights :—

(i) One claim to a sivoijama field.
(ii) Four claims to Government patta and inam lands.
(iii) Four claims to rights of way.

The claim to the sivoijama field was rejected as the claimant had no right to the same. The claim to Government patta and inam fields were (sic) admitted ; Nos. 71-B and 67 of Takkellapadu have been excluded by an alteration of the reserve boundary ; No. 23 has been acquired by payment of money compensation and survey No. 59 of Takkellapadu has been demarcated out and retained as an enclosure within the reserve free from reservation with the necessary access. It was originally intended to acquire both survey Nos. 67 and 59 of Takkellapadu. But as it was subsequently found that a large sum of money would have to be paid for their acquisition owing to the large number of palmyra and date trees on them, it was decided to exclude the former and to retain the latter as an enclosure within the reserve free from reservation. Of the four claims to certain rights of way, three claims were admitted, while the remaining one was rejected as unnecessary ; owing to the exclusion of survey No. 67 and the retention of survey No. 59 as an enclosure, necessary rights of way have had to be allowed to these fields.

5. In the course of my enquiry into the cost of acquiring survey Nos. 59 and 67 of Takkellapadu, I discovered, that, after deducting the area included in this reserve, there is left in the village of Takkellapadu an extent of only 3·8 acres or 0·45 per cent. of the occupied area for extension of cultivation. This was brought to the notice of the District Forest-officer, but that officer draws attention to the fact that Takkellapadu is a deserted village and that the ryots reside in Dodleru where there

is about 650 acres of waste. Thereupon a statement was taken from the karnam of Dodleru (copy enclosed) from which it will be seen that there is only 70·99 acres of waste or only about 2 per cent. of the occupied area available. The District Forest-officer, however, thinks there is some mistake about the extent of unassessed waste still available, and I therefore bring the matter to notice in order that the extent of waste available may be definitely ascertained. Under any circumstances this question should not, I think, affect this reserve which would probably not under any circumstances be granted on patta on account of its value as a thickly covered date and palmyra tope.

6. The reserve is thus free of all rights except those stated above.

7. The following are submitted herewith :—

(1) A signed copy of the B Register of claims.
(2) The draft notification under section 16.
(3) The statement of claims filed and disposed of.
(4) The sketch-map of the reserve.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

This enters the reserve about one chain south of the south-east corner of No. 4 of Takkellapadu and running east for about six chains leaves it about two chains south of the north-west corner of No. 24, all of the same village.	The District Forest-officer admits the claim as right of way No. 3 and desires that, though near the boundary, it should not be included as it will throw out a number of palmyras.	A mitted as a cart-track to a width of four yards. (Signed) E. A. SMITH, Forest Sett.-officer. 13th August 1896.
7	B. Hanumantha of Takkellapadu.	26th Feb. 1896.	Claims patta right over survey No. 71-B of Takkellapadu, measuring 3 44 acres and assessed at Rs. 2-9-0.	Supported by village accounts.	The District Forest-officer says that the land may be excluded.	Claim admitted. The field will be excluded by an alteration of the boundary of the reserve. (Signed) E. A. SMITH, Forest Sett.-officer. 13th August 1896.
† 8 6	G. Ramudu of Takkellapadu.	Do.	Claims patta right (joint) over survey No. 67 of Takkellapadu, measuring 10·96 acres and assessed at Rs. 8-4-0.	Do. do.	The District Forest-officer first wanted this field acquired, but considering the cost of acquiring it, he now says that the field may be excluded.	Claim admitted. The field will be excluded by an alteration of the boundary of the reserve, but access to it will be allowed by a cart-track three yards wide branching from the Bellamkonda-Achampetta cart-track about six and a half chains east of the south-east corner of survey No. 67 of Takkellapadu and running west to the field. (Signed) E. A. SMITH, Forest Sett.-officer. 15th February 1897.
‡ 9 8	Kotiah of Takkellapadu.	Do.	Claims inam patta right on behalf of Anjiniyaswami of Takkellapadu over survey No. 59 of Takkellapadu, measuring 9·24 acres.	Do. do.	The District Forest-officer first wanted this field acquired, but considering the cost of acquiring it, he now says that the field may be left as an enclosure.	Claim admitted. The field will be demarcated out and retained as an enclosure within the reserve free from reservation with access by a cart-track, four yards wide, branching from the Bellamkonda-Anantavaram cart-track at the south-east corner of survey No. 35 of Takkellapadu and running south to the field. (Signed) E. A. SMITH, Forest Sett.-officer. 15th February 1897.

Forwarded to the Secretary to the Commissioners of Land Revenue, through the Conservator of Forests, Northern Circle.

2. The area of the reserve after settlement amounts to 349 acres.

3. This tope is a most valuable one; it is really a breached tank and therefore 109 acres of poramboke are included in it. It forms one of the exceedingly few palmyra and date topes of the taluk, and being near Krosur, furnishes that town with a toddy supply. As the Forest Settlement-officer points out, therefore, it would be a great mistake to give it over for cultivation, and it may as well therefore be worked on sound principles by the Forest Department as a reserve.

4. There are upwards of 15,000 palmyras and double as many dates on the area, and if only one-fourth of these were tapped, the annual revenue would be nearly Rs. 12,000. With protection, the number will increase.

5. The ayakat abstract has been prepared after carefully going through the adangals. It may be remarked that cultivation is extending outside the village limits in the unsurveyed area to the west, and about 2,000 acres have been left outside reserves in the unsurveyed areas for that purpose.

RESOLUTION—Forest No. 441, dated 9th October 1897.

Submitted to Government for approval and publication in the *Fort St. George Gazette*, the 1st February next being recommended as the date from which the reservation shall take effect.

2. The block comprises a small area of 349 acres, but its reservation has been approved by Government in Government Order, No. 340, dated 21st July 1896, as it is a valuable tope thickly covered with palmyra and date trees. As it could in no case be given out for cultivation, the Board considers that the propriety of reserving it is not affected by the fact that almost the whole of the land belonging to the villages, in which it lies, has already been brought under the plough. Extension of cultivation and free grazing should be sought for in the unsurveyed areas to the west of the village where, as reported by the Collector, about 2,000 acres have been left unsurveyed for the purpose.

3. The area of reserves under settlement is given as 67,986 acres in column 4 of the area statement, while the actual area in question comes to 6,975 and not 6,986 acres as given on the back of the area statement. It is presumed that these are clerical errors.

Reserved Forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Takkellapadu block, in the Sattenapalle taluk, as in the margin, ordered to be published in the Fort St. George and the Kistna District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 441, dated 9th October 1897 :—

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., districts, to the Collector of Kistna (through the District Forest-officer, Kistna), dated Camp, Nellore, 25th March 1897, Ref. No. 41 :—

I have the honour to report the conclusion of the settlement of the proposed Takkellapadu reserve in the Sattenapalle taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 13th November 1894, and the proclamation under section 6 of the Act was published in the District Gazette of 2nd March 1895. The time allowed for the presentation of claims expired on the 2nd June 1895.

3. Mr. J. T. Lever was originally appointed to settle this block and afterwards Mr. R. H. L. Lushington. In notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The block was inspected, perambulated and enquired into by me in February 1896, partly in October 1896 and nine claims were preferred for the following rights :—

(i) One claim to a sivoijama field.
(ii) Four claims to Government patta and inam lands.
(iii) Four claims to rights of way.

The claim to the sivoijama field was rejected as the claimant had no right to the same. The claim to Government patta and inam fields were (sic) admitted ; Nos. 71-B and 67 of Takkellapadu have been excluded by an alteration of the reserve boundary ; No. 23 has been acquired by payment of money compensation and survey No. 59 of Takkellapadu has been demarcated out and retained as an enclosure within the reserve free from reservation with the necessary access. It was originally intended to acquire both survey Nos. 67 and 59 of Takkellapadu. But as it was subsequently found that a large sum of money would have to be paid for their acquisition owing to the large number of palmyra and date trees on them, it was decided to exclude the former and to retain the latter as an enclosure within the reserve free from reservation. Of the four claims to certain rights of way, three claims were admitted, while the remaining one was rejected as unnecessary ; owing to the exclusion of survey No. 67 and the retention of survey No. 59 as an enclosure, necessary rights of way have had to be allowed to these fields.

5. In the course of my enquiry into the cost of acquiring survey Nos. 59 and 67 of Takkellapadu, I discovered, that, after deducting the area included in this reserve, there is left in the village of Takkellapadu an extent of only 3·8 acres or 0·45 per cent. of the occupied area for extension of cultivation. This was brought to the notice of the District Forest-officer, but that officer draws attention to the fact that Takkellapadu is a deserted village and that the ryots reside in Dodleru where there

is about 650 acres of waste. Thereupon a statement was taken from the karnam of Dodleru (copy enclosed) from which it will be seen that there is only 70·99 acres of waste or only about 2 per cent. of the occupied area available. The District Forest-officer, however, thinks there is some mistake about the extent of unassessed waste still available, and I therefore bring the matter to notice in order that the extent of waste available may be definitely ascertained. Under any circumstances this question should not, I think, affect this reserve which would probably not under any circumstances be granted on patta on account of its value as a thickly covered date and palmyra tope.

6. The reserve is thus free of all rights except those stated above.

7. The following are submitted herewith :—

(1) A signed copy of the B Register of claims.
(2) The draft notification under section 16.
(3) The statement of claims filed and disposed of.
(4) The sketch-map of the reserve.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

1/9	K. Muthialu of Anantavaram.	26th Feb. 1896.	Says that he has cultivated a portion of survey No. 54-B of Takkellapadu, measuring 8 76 acres, and that the patta for the same is with the karnam.	Not supported by village accounts. The cultivation is treated as sivoijama.	The District Forest-officer does not admit the claim.	Claim rejected as no patta has yet been issued by the Revenue authorities. (Signed) E. A. SMITH, Forest Sett.-officer. 26th February 1896.
2/1	Linga Reddi of Dodleru.	25th Feb. 1896.	Claims patta right over survey No. 23 of Dodleru, measuring 27 acres and assessed at Rs. 4-2-0.	The claim is supported by the village accounts.	The District Forest-officer admits the claim and desires that the land be acquired.	Claim admitted. The field will be acquired under the Land Acquisition Act 1 of 1894. Rupees 47-8-0 to be paid as compensation. (Signed) E. A. SMITH, Forest Sett.-officer. 12th August 1896.
3/2	Venkiah, village munsif of Dodleru.	Do.	Claims on behalf of the public right of way over the foot-path from Dodleru to Talur.	This only serves at present as a means of communication to survey No. 23 of Dodleru.	The District Forest-officer does not admit the claim, as survey No. 23 will be acquired.	Claim rejected as unnecessary as the cart-track in claim No. 6-5 serves the purpose and survey No. 23 of Dodleru has been acquired. (Signed) E. A. SMITH, Forest Sett.-officer. 12th August 1896.
* 4/3	D. Subbarayudu, karnam of Takkellapadu.	Do.	Claims on behalf of the public right of way over the cart-track from Bellamkonda to Achempetta.	This enters the reserve from survey No. 26 of Takkellapadu and running south-west for about three furlongs three chains leaves it about two chains south of the north-east corner of survey No. 79 of Takkellapadu.	The District Forest-officer admits the claim as right of way No. 1.	Admitted as a cart-track to a width of four yards. (Signed) E. A. SMITH, Forest Sett.-officer. 12th August 1896.
† 5/4	D. Subbarayudu, karnam of Takkellapadu.	Do.	Claims on behalf of the public right of way over the cart-track from Anantavaram to the patta lands south of the reserve.	This enters the reserve near the south-west corner of No. 41 of Takkellapadu and running south-west for about two furlongs seven chains merges into the cart-track in claim No. 4-3 inside the reserve.	The District Forest-officer admits the claim as right of way No. 2.	Admitted as a cart-track to a width of four yards. (Signed) E. A. SMITH, Forest Sett.-officer. 12th August 1896.
