NOVEMBER.

Transfer of the Tuvur amsom from the Walawanad to the Ernad taluk.

Sanctioning the — and ordering the publication in the *Fort St. George Gazette* of the draft notification submitted by the Board of Revenue, subject to a slight modification.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 4039, dated 26th October 1897 :—

Read—the following letter from G. W. DANCE, Esq., I.C.S., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 12th June 1897, Ref. on C. No. 1647—P-96 :—

I have the honour to request that the sanction of Government may be obtained to transfer the Tuvur amsom of the Walawanad taluk to the Ernad taluk, and to tack on to it the four desams of Pulamanna, Pukkuth, Perukkod and Cherampa of the Chembrasseri amsom of the Ernad taluk.

2. The subjoined statement shows the present area and population of the two amsoms :—

Amsom.	Number of desams in it.	Total area in acres.	Area excluding inaccessible and uncultivable portion in acres.	Population.
1. Chembrasseri	11	83,679	40,924	12,504
2. Tuvur	1	7,196	7,092	4,287

3. The Chembrasseri amsom is one of the most unwieldy in the District. It is also one of the most fanatical. If it is split up, the amsom officials could exercise a better control over it and would be better able to bring to account the fugitive cultivation, much of which, it is believed, now escapes assessment.

4. The area and population of the two new amsoms will be as shown below :—

Amsom.	Number of desams.	Cultivable area in acres.	Population.
1. Chembrasseri	7	23,905	9,225
2. Tuvur	5	24,111	7,566

5. A sketch-map of the two amsoms is enclosed.

6. In view of the difficulty of administering the Chembrasseri amsom, I would ask that effect may be given to my proposals at once, if they are approved, instead of postponing them till the settlement, which appears to be as far off completion now as when the Settlement officers first commenced work nine years ago.

Reference on the above, dated 23rd June 1897.

With reference to paragraph 2 of the Government Order communicated with Board's Proceedings, No. 620, dated 13th July 1888, the Collector is requested to have a notice published in the District Gazette regarding the proposed transfer of Tuvur amsom to the Ernad taluk and the proposed rectification of the limits of the Tuvur and Chembrasseri amsoms, and to report the objections, if any, that may be raised by the villagers concerned.

Read—the following letter from G. W. DANCE, Esq., I.C.S., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Bolghatty, 15th October 1897, No. 2449-Pub. :—

Adverting to Board's Reference, dated 23rd June 1897, on General Register No. 2953 of 1897, I have the honour to state that a notice was published in the District Gazette, dated 1st July 1897, inviting objections, if any, to the proposed transfer of the Tuvur amsom to the Ernad taluk and the proposed alteration in the limits of the Tuvur and Chembrasseri amsoms. No objections have up to date been received.

Resolution—Mis. No. 4039, dated 26th October 1897.

Submitted to Government with the Board's recommendation that the enclosed draft notification may be approved and ordered to be published in the *Fort St. George Gazette*.

2. As regards the transfer of the four desams mentioned in paragraph 1 of the Collector's letter, dated 12th June 1897, from the Chembrasseri amsom to the Tuvur amsom, the necessary sanction will be accorded by the Board under S.O. No. 21 (New Edition) on receipt of the orders of Government on the present Proceedings.
