Proceedings of the Board of Revenue

(Land Revenue).

No.2857 Routine, dated 19th October 1896.

Read the following Reference dated 24th September 1895.

With reference to the details of the Establishment for which provision has been made in his budget estimate of the Village Service Fund for 1896-97, the Collector of Nellore is requested to state why it is proposed to charge to the fund a portion of the pay of one of the special fund clerks attached to Deputy Tahsildar's Divisions for pound work alone.

2. The total annual cost of the 683 Munsifs recently sanctioned for the district is entered as Rs.48,888. This is apparently a mistake for Rs.46,716.

Read the following letter from K.C.Manavedan Raja Esqr., Collector of Nellore, No.397/and, dated 2nd October 1895.

In reply to Board's reference, on the Budget Estimate of the Village Service Fund for 1896-97, dated 24th September 1895. I have the honor to state as follows:-

2. Para I. The special Fund clerk of the Polur Division does also the work connected with the village service Fund in addition to the Pound Fund work and hence his pay has been distributed between the two funds, as in the case of Taluk special Fund clerks.

3. Para II. As per revised scale sanctioned for th district the cost of 683 Munsifs is Rs.4074/-per mensem or Rs.48,888/- per annum. Vide para 4 (III) and appendi- print at [illegible] Order dated 31st January 1895, [illegible]

And the following Reference thereon dated 25th September 1895.

With reference to the statement showing the numerical strength of Establishments for which provision has been made in his special fund budget estimates for 1896-97, the Collector of Godavari is requested to state ~~have~~ how 4 clerks (3 on Rs.10 each & 1 on Rs. 15) are shown as employed in Deputy Tahsildars' offices while only 3 clerks on Rs.10 each were included in the proposition statement sanctioned in the Government Order communicated with Board's Proceedings No.646, dated 8th November 1892.

2. It is presumed that the clerks who are employed in Zemindari Divisions as ~~do~~ only pound work and it is not clear why a portion of their pay should be charged to the Village Service Fund as proposed. The Collector is requested to explain this.

3. The marginally noted discrepancies in regard to the strength of village Establishments also require explanation.

As reported in statement which accompanied the Collector's special fund budget estimates for 1895-96	812	62856	1481	833
As now reported	813	62916	1480	834

Read also the following letter from V.A.Brodie, Esquire, Dis.on C.No.5386/acc of 1895, dated 8th October 1895.

In reply to the Board's reference dated 20th September 1895, I have the honor to state as follows:-

2. In addition to the three special fund clerks sanctioned for the Cocanada, Pittapur and Tuni Divisions in G.O. communicated with Board's Proceedings No.646, dated 8th November 1892, a clerk on Rs.15 was sanctioned in G.O. No.1289 dated 6th April 1893 for the Deputy Tahsildar's office, Polavaram.

3. The clerks employed in the Zamindari Divisions of Cocanada, Pittapur and Tuni, do not only Pound work but also keep the accounts relating to the village Establishments paid out of the Village Service Fund, and a list of such Establishments is published in Board's Proceedings No.507 dated 21st November 1894 to which a reference is solicited. This accounts for the proposal to charge a portion of their pay to the village

4. The difference in the number and the annual cost of Village Munsifs, is due to the inclusion of the Munsiff on Rs.5 per mensem or 60 per annum sanctioned in Government Order, dated 24th April 1895, ~~Mis.No.2445~~.

5. The discrepancy noticed in the strength of the other establishments is due to one Taliar having been erroneously classified as a Vettian on the same pay in the Budget statement for 1895-96. The mistake was subsequently discovered and the correct figures were adopted in the statement accompanying the Budget Estimate for 1896-97.

Resolution

With reference to his communication noted in the margin, the Collector of Nellore Godavari will be informed that the pay of the special Fund clerk in Polur Division clerks Cocanada, Pittapur, & Tuni Divisions, should be charged wholly to the Pound Fund, as the bulk of the work relates to the Pound Fund.

Note.

As regards the item ... the reference to the items under POLICE on page 8 of G.O.No.309 Financial, dated 2nd May 1896, it is understood, as these items relate to rewards to informers, for saving life and for the apprehension of offenders. As however the "Cattle Pound Fund" rewards are explained to be of the nature of special departmental charges, there is no objection to their transfer to "Supplies and Services". The item appears, however, under Contingencies in the current year's budget and it should be retained there for that year and the transfer to "Supplies and Services" for the ensuing year explained by a note.

2. Item 1. Although the details are to be found elsewhere in the Civil estimates it would be convenient if the details under Cattle Pounds are continued to be shown, as in the Civil estimates for the current year.

3. Item 15. It will suffice if the Board is asked to furnish the Accountant-General with the details of this item.

4. Item 22. The suggestion is unobjectionable.
