NOVEMBER.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the North Casuarina extension block in the Shiyali taluk, Tanjore district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from J. ANDREW, Esq., Acting Collector of Tanjore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Vallam, 22nd September 1897, Dis. No. 31-For.:—

I have the honour to submit the Forest Settlement-officer's report on the completion of the settlement of the North Casuarina extension block in the Shiyali taluk; all the provisions of section 16 of the Madras Forest Act V of 1882 having been complied with, and request that the enclosed draft notification under section 16 may be submitted to Government for approval and publication in the *Fort St. George Gazette*.

2. There has been no alteration of area during the settlement, but the Forest Settlement-officer in drawing up his draft final description of boundaries has made slight amendments in the eastern and southern boundaries as given in the initial notification with reference to the section 16 boundary description of the North Casuarina plantation published in Board's Proceedings, Forest No. 430, dated 7th August 1888. The planted area of the North Casuarina plantation (reserved forest) does not extend eastwards beyond the eastern limits of the Vettangudi village and the initial notification for the extension block was prepared with reference to this fact; hence the difference.

3. A period of three months from the date of the final notification appearing in the *Fort St. George Gazette* may be allowed before reservation shall take effect.

4. The following enclosures are submitted herewith:—

(1) Forest Settlement-officer's letter, Ref. on Cur. No. 1022, dated 18th June 1897.

(2) Map submitted with the initial notification.

(3) Draft final notification under section 16.

(4) B. Register of claims.

ENCLOSURE No. 1.

From F. V. P. GOMPERTZ, Esq., Forest Settlement-officer, Trichinopoly, &c., Districts, to the Collector of Tanjore, dated Thingallur, 18th June 1897, Ref. No. 1022.

I have the honour to report the conclusion of the settlement of the North Casuarina extension block, Shiyali taluk, after complying with the provisions of section 16 of the Madras Forest Act V of 1882.

2. The block lies in the village of Vettangudi.

3. The notification under section 4 appeared in the *Fort St. George Gazette*, dated 7th July 1896, and the proclamation under section 6 was issued on 9th idem, fixing 15th November 1896 as the latest date for preference of claims. The block was settled by M.R.Ry. P. S. Singaravelu Pillai Avergal. It was transferred to my name by a notification in the *Fort St. George Gazette* of 25th ultimo. The last claim was disposed of on 6th April 1897 and the appeal time expired on 5th instant without any appeal being preferred.

4. Four claims were preferred for three rights of way and for a piece of land alleged to be in the enjoyment of a pattadar. The claims to two rights of way were admitted and the remaining right of way was disallowed as unnecessary. The claim to land was rejected as not based on right.

5. I beg that three months' time may be allowed for promulgation of the final notification under section 16 from the probable date of its appearance in the *Fort St. George Gazette*.

Prays for the exclusion of the site with the palmyras trees standing thereon planted by him so as to mark the boundary between his patta lands and the reserve.	The District Forest-officer contests the claim.	The claimant has no patta for the land on which the palmyras are planted and there is evidence that he was punished for encroachment. The claim is rejected. (Signed) P. S SINGARAVELU, Forest Sett.-officer. TRICHINOPOLY, 6th April 1897.

It enters the block at the north-east corner of survey No. 741 of Vettangudi and runs east-south-eastwards for about two furlongs as marked in the sketch. It is required to a width of six yards for people, cattle and carts.	The District Forest-officer does not contest the claim. Prays for the admission of the following right of way:— Cart-path from his village (Kulaiyar) to the sea-shore. It enters the block on the east side of survey No. 736 of Vettangudi, about two chains from its north-east corner and runs eastwards for about sixteen and a half chains to the sea-shore. It is required to a width of six yards.	The District Forest-officer says that this path is unnecessary and that the one claimed in claim No. 2 will suffice.	The claim is for a cart-track † across the block near its northern end. The District Forest officer contests the claim. From the village munsif's evidence it is clear that the track is used only as a foot-path and not for carts and that it has been so used for over twelve years. During my personal inspection I was careful to see if the path is necessary and has been long in use. I am satisfied that the path is necessary and the evidence of its use for a long time supports it. If this path is not allowed, the residents of Kulaiyar will have to go much out of the way. The claim is admitted under section 11 of the Forest Act. The path will be two yards wide and open for people and cattle. (Signed) P. S. SINGARAVELU, Forest Sett.-officer. TRICHINOPOLY, 6th April 1897.

It enters the block on the east-side of survey No. 737 of Vettangudi and runs eastwards to the sea-shore. It is required to a width of six yards for people.	The District Forest-officer contests the claim.	The path claimed is not necessary, as there are two others within a short distance north and south of it. The District Forest-officer also contests the claim. Claim is therefore rejected. (Signed) P. S. SINGARAVELU, Forest Sett.-officer. TRICHINOPOLY, 6th April 1897.
