GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Reference from the Court of Wards, dated 7th February 1898, No. 10:—

Read—the following letter from R. B. CLEGG, Esq., Acting Collector of Tinnevely, to the Secretary to the Court of Wards, Madras, dated 28th January 1898, Ref. B on Cur. No. 24 of 1897:—

With reference to C.P., No. 7, Press, dated 22nd April 1897, I have the honour to state that I do not consider it necessary to undertake the survey of the estate of Thalavankottai, as it is to be made over to the proprietor in May 1898, and as it would be impossible to complete the survey before that time. The estate consists of fourteen villages with an area of 9,886 acres, or $15\frac{1}{2}$ square miles and contain 8,804 fields.

2. The estate of Sivagiri, which has not been surveyed, comprises 31 villages with an area of 71,954 acres or $112\frac{1}{8}$ square miles and contains 43,144 fields. The Superintendent, Madras Survey, who has been consulted, informs me that a cadastral survey of the estate can be undertaken with the sanction of Government during 1898-99. He estimates the entire cost of survey at Rs. 22,500, at the rate of Rs. 200 per square mile, which is inclusive of the value of the stone boundary works, but exclusive of the charges on account of hired labour, which must be provided by the landholders.

3. I request that the sanction of Government be obtained for the survey of the Sivagiri estate during 1898-99.

Reference on the above, dated 7th February 1898, No. 10.

Submitted for the orders of Government.

3. The cost of the survey is estimated at Rs. 22,500 and the Superintendent, Madras Survey, can undertake the work in 1898-99.
