CHEPAK.

Sir,

I have the honor to request that Orders of Government may be obtained as to whether compensation allowance for dearness of provisions in famine districts - sanctioned by Government under Article 72 of the Civil Account Code, should be held to be applicable to Menial servants such as sweepers and toties, whose whole time is not at the disposal of the Government service. The Accountant General to whom a reference was made on the subject is of opinion, that the men referred to do not appear to be entitled to the

compensation allowance in question.

I make this reference as
I observe, that a Treasury Officer has
admitted an allowance of Rs 4 per mensem
to a sweeper on pay of Rs 2 whose whole
time is not at the disposal of Government
service, so as to raise his ^{total} pay to Rs 6 per men-
-sem under the article referred to.

I have the honor to be

It appears right in principle that menial servants such as sweepers and toties whose whole time is not at the disposal of Govt. should not be deemed eligible for the grant of Compensation for dearness of provisions. But Article 72 of the Civil Account Code, Vol. I, does not make any distinction between whole time and part-time servants and the only test regarding the eligibility of any servant to the batta is the amount of pay drawn. Ref. In G.O. No 781 dt 13.9.97, the Govt. agreed with the A.C. in thinking that punkah-pullers whose pay is charged to contingencies are not entitled to batta under the rules; and in P.O. No 6436 dt 15.12.97 arrived at a similar decision in regard to 'works' establishments.

Before however any definite orders are passed, it is submitted that the A.C. may be asked to report in full the circumstances under which he considered particular cool servants as ~~inadequate~~ ineligible for the grant of famine batta. The draft on this subject is accordingly submitted for approval.

The present case is clearly similar to that of Punah puller & men in "work".

Refused to by the P.D.O. are paid a certain wage for a certain duty. As long as Govt. can get men to come for this wage offered, it seems clear that famine batta should not be paid. The case of whole time servants is quite different. They are family members. Govt. service they are dependent
