It is stated that when once the line is thoroughly cleared, the cost of keeping it clear afterwards will be small, if the matter be attended to at proper intervals. The Board recommends that the estimate may be approved and that the Government of His Highness the Nizam may be requested to bear a moiety of the cost and to permit the entire work to be carried out under the orders of the Collector.

To the Board of Revenue (Land Revenue),
with Collector's letters.

Letter—from the Hon'ble Mr. G. STOKES, I.C.S., Acting Secretary to the Government of Madras, Revenue Department, to the Resident at Hyderabad, dated 5th August 1897, No. 4065:—

Adverting to paragraph 2 of the Proceedings of the Board of Revenue, Madras, a copy of which was forwarded to you with the Honourable Mr. Price's letter No. 202, dated 13th August 1895, I am directed to forward herewith an estimate received from the Collector of Kistna for the first clearing of the line of the boundary between his district and the Hyderabad territory, as settled by Messrs. F. Fano and Bentley Taylor, and to enquire whether His Highness the Nizam's Durbar will have any objection to bearing a moiety of the total cost (Rs. 1,078) involved and to permitting the British authorities in Kistna to carry out the entire work. I am to state that, when once the line is thoroughly cleared, the cost of subsequent clearings will, it is reported, be comparatively small, if the matter be attended to at proper intervals. I am accordingly to request that the work of reclearing the line in the future may also be entrusted to the British authorities, the Durbar, which is equally interested with this Government in keeping the line in order, bearing half the cost of all such reclearings.

Read—also the following letter from T. CHICHELE-PLOWDEN, Esq., C.S.I., Resident at Hyderabad, to the Secretary to the Government of Madras, Revenue Department, dated Hyderabad, 4th March 1898, No. 1472:—

They have accordingly issued orders to the Settlement officer to carry out the work of clearing the line conjointly with the officer of the Madras Government. It has been suggested further that a similar procedure should be followed in the case of future clearings of the boundary.

Order—No. 148, Revenue, dated 10th March 1898.

Miscellaneous.

Communicated to the Board of Revenue, with the request that, as desired by His Highness the Nizam, arrangements may be made for the clearing of the boundary being carried out, in future, in the presence of an officer of the Durbar.
