Proceedings of the Board of Revenue  
(Land Revenue).

No. 4614 Miscellaneous of 2nd December 1897.

Read Endorsement of the Collector of Kistna Ref. No. 4583 dated 5th August 1897, on letter from the Assistant Collector of Kistna dis. No. 192 of 97 dated 29th July 1897, and also the following Reference thereon dated 23rd August 97.

The Collector is requested to submit, at once a statement showing the work, turned out by the temporary establishment, in question during the period for which it was employed and the additional work which necessitates its further retention.

Read also Endorsement of the Same officer, Ref. on ver. No. 4583 d/10th November 1897, on letter from the Head Assistant Collector dis. No. 2189 dated 22nd October 1897.

## Resolution.

Submitted for the Orders of Government.

2. In the paper first read above, the Collector requested Sanction for the retention, for a

in the period of six months and one year respectively, of the Compensation Revenue Inspector on Rs 35 a month and the Clerk on Rs 20 a month sanctioned for the Head Assistant Collector's Division in the orders quoted in the margin. The Board thereupon, called for a statement showing the work turned out by the temporary establishment since the date of its establishment.

Clerk on  
Rs 20 9-0 1712  
1-5

3. From the reply read above it appears that the Revenue Inspector was away on sick leave for two out of the six months for which the appointment was sanctioned in S. O. <sup>2430</sup> <sub>13-5-97</sub> and that while on duty he was engaged in preparing draft notifications for the acquisition of 767 acres and 30 cents, and valuing trees standing on 11 acres and 79 cents of land and that his services have been dispensed with from the 22nd ultimo for want of field work. His retention on the temporary work from 5th August to 21st October 1897 (both days inclusive) requires sanction.

4. The clerk has been attending to compensation work in the Head Assistant Collector's office. It is urged that work relating to compensation in that office has increased of late on account of the extension of irrigation under the Krishna Delta and Munjira Systems and that the retention of the Clerk for another year from 1st July August last is absolutely necessary.

The Board requests that sanction may be accorded in this case also.

5. The necessary provision has been made in the Budgets of the current and ensuing years. <sup>7-10-96</sup>

In L.O. 1415 dated 7.4.5 —  
the entertainment of a Revenue  
Inspector on Rs 35 for six months  
and of a clerk on Rs 20<sup>for</sup> a year  
was sanctioned for compensation  
work in the Head Assistant Collector  
Division, Kistna. The retention of  
the Revenue Inspector for a further  
period of six months, i.e., up to the  
4<sup>th</sup> August 1897, was approved in  
L.O. 2430 of 13.5.97. It appears  
that out of these six months the  
Revenue Inspector was away on  
sick leave for two months and that  
while on duty he was engaged in  
preparing draft notifications for the  
acquisition of 167 acres and in other  
trees standing on about 12 acres.  
The Head Assistant Collector first  
applied in August last for the  
retention of the Revenue Inspector  
for another six months but before  
submitting the application to Government,  
the Board called upon the  
Collector to furnish a statement  
showing the compensation work

ne by the temporary establishment.  
 submitting this, the Head  
 Assistant Collector states that  
 Inspectors submitted draft  
 obifications till the 17<sup>th</sup> September  
 1897 when he again went on  
 leave on medical certificate  
 till the 20<sup>th</sup> October 1897 and that  
 his services were dispensed with  
 from the 22<sup>nd</sup> October as there  
 was no field work pending in  
 the division. The Board accordingly  
 requests sanction for the retention  
 of the Revenue Inspector from the  
 5<sup>th</sup> August to the 21<sup>st</sup> October 1897.  
 It is observed, however, that as the  
 Inspector did not do any work after  
 the 17<sup>th</sup> September, his services  
 might as well have been dispensed  
 with from the 18<sup>th</sup> idem. Under  
 article 373(c) of the Civil Service  
 Regulations, the Revenue Inspector  
 using his leave on medical  
 certificate, was entitled to draw  
 only half of his monthly subsidiary  
 pay and had therefore no lien on  
 the Temporary Revenue Inspector's  
 post.

The resignation of the Revenue Inspector up to the 21<sup>st</sup> October 1897 and of the clerk for a further period of one year from the 7<sup>th</sup> August 1897 is sanctioned, as recommended by the Board of Revenue. It is observed, however, that out of the total period during which the <sup>person selected for the post of</sup> Revenue Inspector was supposed to be on special duty, he was on sick leave for more than three months and no substitute was apparently employed in his place. ## Compensation Establishment in the Head Assistant Collector's Division, Kistna District.

## REVENUE DEPARTMENT.

READ—Proceedings of the Board of Revenue (Land Revenue), Mis. No. 4614, dated 2nd December 1897.

ABSTRACT.—Submitting, for the orders of Government, letter from the Collector of Kistna regarding the temporary retention of the compensation establishment in the Head Assistant Collector's division in the district.

ORDER—No. 14, Revenue, dated 10th January 1898.

## Miscellaneous.

The retention of the Revenue Inspector up to the 21st October 1897 and of the clerk for a further period of one year from the 7th August 1897 is sanctioned, as recommended by the Board of Revenue. It is observed, however, that out of the total period during which the person selected for the post of Revenue Inspector was supposed to be on special duty, he was on sick leave for more than three months and no substitute was apparently employed in his place. This is unsatisfactory. When Government sanctions special duty for a definite period, the intention is ordinarily that work of the kind contemplated shall be continuously pursued for the period and not be interrupted by the grant of leave to those who may be detailed for the duty. The cases are exceptional in which the temporary Revenue Inspector was obliged to proceed on leave, arrangements should at once have been made to appoint another person to continue the work in his stead. The Board of Revenue is requested to issue general instructions in this sense.
